**Construction Update:** As of this printing, the sub-contractors are working hard on completing the "school" side of the project, so we can begin our school year in the facility. Likely, the gym/fellowship hall, kitchen, and adoration chapel won't be ready by Sept. 6. Gym flooring is actually scheduled to be installed on Sept. 6. Once installed, we have to stay off of it for about 2 weeks. Thus, the school will still be using the church basement for lunch for at least a couple of weeks at the beginning of the year.

Bishop Kettler is scheduled to be here on Sunday, Sept. 4. He will be celebrating the 10:00 AM Mass and then heading over to the school facility for a blessing and open house. Please join us. Refreshments will be provided.

There will be a celebration planned once the entire project is complete. More information will be forthcoming.

### Holy Father's Prayer Intention for August

We pray for small and medium sized businesses; in the midst of economic and social crisis, may they find ways to continue operating, and serving their communities.

Dear Holy Cross Family and Friends,

As you may have heard, our parish building needed to replace two furnaces and two heat pumps this past winter. They have served us well for many years (over 22 years) but they were beyond repair and it was time to put them out to pasture and invest in new, more efficient units.

Holy Cross has long been a proud, self-supporting rural church and it is my belief that it will continue to serve the Butler Community for years to come.

In order to replace our heating system, we need to raise \$17,770.92. Please help us to share the warmth with the next generations. Please mark donations as "Furnace Fund" in the memo line of your check. Any amount will be greatly appreciated.

Thank you in advance for supporting this effort to keep our church building operating at its best. You will enable our parish family to continue to worship and grow in faith in our little country church for years to come.

May God continue to bless us.

Father George

### Stewardship as a Way of Life:

"For behold, some are last who will be first and some are first who will be last" (Luke 13:30).

Our cultural standards are different from God's standards. We often rank people by what they have, how powerful they are, or how successful they are. Jesus reminds us that God will not judge us by the same earthly standards. When God asks you, "What have you done with the gifts I have given you?" How will you respond?
