World Marriage Day is an opportunity to focus on building a culture of life and love that begins with supporting and promoting marriage and the family. This year's theme, "**Marriage...one flesh, given and received**" highlights the one-flesh union of husband and wife that is willed by God. It also indicates the personal self-gift of each spouse, one to the other. These concepts point to Christ who gives Himself under the appearance of bread and wine—as real flesh and blood.

Stewardship as a Way of Life:

“For I tell you, unless your righteousness exceeds that of the scribes and Pharisees, you will never enter the kingdom of heaven.” — Matthew 5:20

The Pharisees lived according to the letter of the law, and they used this to elevate themselves above the other people. Jesus is clear: It’s the love that you have in your heart, for God and others, that will get you to heaven. Simply following Church rules to the letter and not out of love, does not necessarily put you on the path to heaven. Attending Sunday Mass and then gossiping about a fellow parishioner in the parking lot is an example of being a modern-day Pharisee.
