Stewardship as a Way of Life:

"Let your light shine before others, that they may see your good works and give glory to your Father who is in heaven." — Matthew 5:16

The generosity of being a good steward of your gifts has a positive effect on people and it is contagious! Good works encourage more good works. Generosity is a byproduct of a grateful lifestyle. The more we recognize God's gifts, the more we want to share them. Good stewards recognize that God is working through them, and they don't put themselves above the people they have been called to help.
