PAVING THE WAY AT ST. LAWRENCE

Although the weather doesn't agree, we are a people of faith and hope, and we know that Spring is right around the corner! To celebrate, we are planning a new improvement project.

The East parking lot is in rough shape and needs some renovation. The St. Lawrence Finance council and the Bishop's office have approved a construction project to blacktop the parking lot. This will be completed as soon as weather permits. The cost of this plan will be about \$27,000.

Just think, no more wiping the mud from your shoes as you enter the church. No more trying to walk around the puddles or uneven ground in any season. I hope that you will support this project with a donation to offset the expense.

Together, we will continue to preserve our historic church and grounds, as we pave the way for future generations of St. Lawrence families. May God bless you always.

Stewardship as a Way of Life:

"Jesus said to her, 'Did I not tell you that if you believe you will see the glory of God?'" — John 11:40

Many of us say that we believe in God. We attend Sunday Mass and participate in parish events. But when life gets hard and the pressure is on, when things aren't going our way, do we really believe? Do we really put our trust in the Lord? When we live a life of gratitude, recognizing all that we have been given, we really do see that God is providing for our needs. Living a grateful and generous life allows us to see God's active presence in our daily lives and we become "partakers of the divine nature."
