Sister Mary, who worked for a home health agency, was making her rounds visiting homebound patients when she ran out of gas. A filling station was only a block away, but the attendant said they had no gas can for her to borrow.

Sister Mary returned to her car to see if there was a gas can in the trunk. There wasn't, but she found a bedpan. Being resourceful she took it to the station and asked the attendant to fill 'er up. As she was pouring the gas into her tank two men watched from across the street. One of them turned to the other and said, "If it starts, I'm turning Catholic!"

As you may have seen, Minnesota recently changed state law to legalize the recreational use of marijuana and established a retail industry for the drug. You can find this document along with other resources at <https://www.mncatholic.org/LivingInTheReal>.

**Bishop's Annual Appeal:** The Diocesan TV Mass has been a lifeline for the homebound. **Stewardship as a Way of Life:**

*“There are different kinds of spiritual gifts but the same Spirit; there are different forms of service but the same Lord; there are different workings but the same God who produces all of them in everyone.” - 1 Corinthians 12:4-6*

All of us are blessed, regardless of our own individual circumstances. God has given each of us many gifts. How we use those gifts is our gift back to God. For God’s plan to work, each must do what we are called to do. Guess what? We are not all called to do the same thing! For God’s plan to work you have to do what God is calling you to do and I have to do what God is calling me to do.
