Stewardship as a Way of Life:

“And Jesus said to him, ‘Go your way; your faith has made you well.’ And immediately he received his sight and followed him on the way.” — Mark 10:52

Faith is believing in something even though you may not be able to physically see it. Many people think that miracles don't happen anymore. This is hard, but try to focus on the positive and not the negative things in your life. When you focus on your blessings instead of your hardships, miracles will seem common. You will see God's active presence in your daily life. You will begin to develop an attitude of gratitude.

A World Priest Day Prayer

Heavenly Father, We come before You today to ask Your blessing on Fr. George and Fr. Tom whom You have called to the Sacrament of Holy Orders. We ask that You support them with Your presence and fill them with grace to serve You faithfully. Gracious Spirit, unite us in service with those whom You have called. Open our hearts to encourage our brothers and sons to pursue Your calling, and open their hearts to hear Your call to this most Holy Sacrament. Amen.
