For centuries, Bethlehem Christians have supported their families by carving Olive Wood Religious Art for visiting pilgrims. However, the conflict in the Holy Land and the decrease in tourism have dropped the percentage of Christians living there from 63% to less than 2%. Our main objective is to help all Christian families stay in their homeland in dignity and keep the Christian identity in Bethlehem and Jerusalem. **On September 16th & 17th**, Holy Land Christians will be promoting their Olive Wood Carvings to support their families in the Holy Land. Kindly stop by their display.

Stewardship as a Way of Life:

"You, son of man, I have appointed watchman for the house of Israel..." -Ezekiel 33:7

Many of us are generous with our gifts. However, many of us are not generous in proportion to the gifts we have been given. How often do we give at the minimum level required? Remember, the Lord calls us to nurture and develop our gifts and to give back with increase. He calls us to be generous with all the gifts, especially the one that means the most to us.
