### Stewardship as a Way of Life:

*"Did not God choose those who are poor in the world to be rich in faith and heirs of the kingdom that he promised to those who love him?" James 2:5*

What is more important – being rich in faith or rich in possessions? Society tells us that possessions are most important. God teaches a different lesson. When we are rich in faith, we keep God first and experience true joy and peace. When we put possessions first, we soon realize we can never have enough, and happiness is fleeting. When we put faith over possessions, we truly realize it is better to give than receive.

Listen, my beloved brethren:

Did not God choose the poor of this world to be rich in faith and heirs of the kingdom which He promised to those who love Him?
