

HGE INTERNATIONAL PRIVATE LIMITED

SMETA (4 Pillar), ISO 9001:2008, ISO 14001:2004 and OHSAS 18001:2007 Certified Export House.

www.hgeindia.in

HGE International Private. Limited.

formerly known as Horse Gear Enterprises, was formed in the year 2000 by three people one being a French national and an expert on riding leather products and two Indian entrepreneurs. The sole objective being able to establish a factory which could manufacture. Sports, Fashion & Lifestyle products with the highest quality standards, maintain and manage internationally compliant production facility. With time, corporate structure was a necessity and hence the change in the name came up

HGE International Pvt. Ltd.

HGE International Private Limited

Factory View..

New premise, new horizon and new energy

Positive Vibes, Quality Results

State of art working environment, equipped with current edge working tools and equipment.

Work & Worker friendly Shed.

40+ Mt. height, insulated, weather friendly pre engineered shed for productive manufacturing.

HGE is ideally located in Kanpur which is an important Industrial city with clean connectivity to sea and air-ports making transportation of goods very convenient.

The facility..

HGE has its production facility at Kanpur with an installed production area of 40000 Sq. ft., with an add-on flexibility of another 40,000 Sq. Ft. area and vertical growth options. The facility is located in a clean and green part of the city ensuring complete international compliance and a positive environment for growth and sustainability

The above production facility houses two different divisions namely

- 1. Footwear Division*
- 2. Fashion & Lifestyle goods & Accessories*

Footwear Division..

Footwear came as pleasant surprise to us when one of our customers asked us to develop a shoe for them, and with this beginning we never looked back, beginning from a single room with shoes being hand lasted we graduated to state of art footwear factory with a very dedicated and effective team ensuring highest levels of quality standards.

The footwear unit has an installed capacity of producing 2000-5000 pairs every day. Footwear division caters to some good names in the world and fashion brands. Our abilities include manufacturing high fashion, casual and formal footwear for both women and men and some very technical footwear which includes waterproof shoes, high altitude footwear, and performance footwear as well. We at HGE are more than happy to develop, innovate for our partners.

Fashion Bag & Accessories Division..

The Fashion & Accessory division of HGE has been the birthplace of some of the finest fashion & lifestyle products in leather/non leather made for some of the finest global brands. Specialisation is the key to great quality and working on this mantra, HGE specialised in leather/non leather products, producing some of the most intricate yet simply successful fashion bags, accessories and leather goods.

Fashion Bag & Accessories Division..

The Bags & Accessories Division is a specialized manufacturing arm of our company, dedicated to producing high-quality fashion and lifestyle products for some of the world's most renowned brands. With a strong focus on craftsmanship, innovation, we support our partners in bringing their creative visions to life.

We have been proudly manufacturing for a distinguished portfolio of global brands, including:

- Zara:-** Delivering trend-driven bags and accessories that align with fast fashion's dynamic pace and quality standards.
- Massimo Dutti:-** Producing refined, elegant leather goods that reflect the brand's commitment to timeless sophistication.
- The Kopple's (France):-** Supporting the creation of edgy, fashion-forward accessories with a rock-chic aesthetic.
- Filippa K (Scandinavia):-** Partnering in the production of minimalist, sustainable accessories that embody Scandinavian design principles.
- Samsonite:-** Manufacturing durable, high-performance travel gear with a focus on innovation and precision.
- Emirates:-** Crafting premium travel accessories and branded merchandise that reflect luxury and global appeal.
- El Corte Inglés:-** Supplying a wide range of fashion accessories for Spain's leading department store group.
- Cortefiel:-** Producing classic, high-quality accessories that align with the brand's heritage and style.

Our facilities are equipped with advanced machinery, skilled artisans, and robust quality control systems to ensure every product meets the highest international standards.

We are committed to ethical manufacturing practices, sustainable sourcing, and continuous improvement—making us a trusted partner for global fashion and lifestyle brands.

Quality Management System

Quality Systems..

HGE follows the QMS internally for quality control. Strict compliance of raw material at door step is an important component which eventually leads to quality goods. All the raw material used is REACH compliant and adheres to all norms .

A team of dedicated personnel who are independent of the production team and process ensure that every single product shipped out has been manufactured in accordance with the technical data sheet for that product.

Vision..

- **HGE** was established primarily to produce quality Sports, Fashion & Lifestyle products, which is still one of the focus areas, moving ahead we have added footwear as another major.
- **HGE** intends to keep moving ahead on the same lines yet keep ourselves flexible to adapt with changing times and need. We intend to continue the journey of learning and excelling in all that we undertake to do.

SMSPFA001/REV01

A soft, pink watercolor splash or blotch serves as a background for the text. It has irregular, feathered edges and contains subtle variations in pink tones, with some areas appearing slightly darker or more saturated than others. The overall effect is gentle and artistic.
