ABOUT US :

OUR STORY

Independent Mobile Technicians, LLC (IMT) is a full-service Facility Management company that conducts business with an Integrity First Ideology. Established in 2022 and based out of Fayetteville, Georgia, IMT is a Service Disabled Veteran Owned Small Business (SDVOSB) where the owner has over 20 years of Facility Management experience.

OUR VISION

There's this notion that to grow a business, you have to be cut-throat, but we know there's a better way to grow. One where what's good for the bottom line is also good for customers. IMT creates an environment that empowers our employees to have a voice, acknowledge and reward hard work, so in return their focus is delighting the customer. This practice will sustain long lasting business relationships for years to come.

OUR MISSION

We believe businesses can grow with a conscience, succeed with a soul and can do it while maintaining Integrity. Our business practices are based on proven Facility Management processes that are implemented by highly skilled employees and senior leadership team. We provide quality services to federal, state/local agencies, and commercial/residential customers.
