

TO WHOM IT MAY CONCERN

This letter confirms that SmarttIVE hereby appoints Omar Alahmar for Trading Company LLC (OTC), CR Number: CR21134, as its authorized representative in the Syrian Arab Republic for the purpose of promoting, introducing, and developing business opportunities related to SmarttIVE's technology solutions.

SmarttIVE provides integrated technology solutions for critical infrastructure and enterprise environments, including advanced Video Management Systems (VMS), AI-based analytics, Command & Control platforms, physical security systems, IoT infrastructure monitoring, and VR-based training and simulation technologies, with particular applications in airport, infrastructure, and smart city environments.

Under this authorization, Omar Alahmar for Trading Company LLC (OTC) is entitled to:

- Introduce and promote SmarttIVE solutions within the Syrian market
- Engage with government entities, private sector clients, consultants, and system integrators
- Participate in project discussions and opportunity development related to SmarttIVE technologies

SmarttIVE confirms its willingness to cooperate technically and commercially with Omar Alahmar for Trading Company LLC (OTC) in evaluating, proposing, and implementing projects where SmarttIVE solutions are applicable.

This letter is issued to confirm the authorization of Omar Alahmar for Trading Company LLC (OTC) to represent SmarttIVE solutions within the Syrian market.

Sincerely,
Haitham Adel
CEO
SmarttIVE
