

Published Articles and Testimonies by Members of the Association 2000 – 2025

The Christian Science Association
of the Pupils of Gordon R. Clarke, C.S.B.

These pages bear witness to the ongoing growth of our Association and our membership, both individually and collectively, while also providing a wonderful opportunity for sharing the inspiration.

This vital resource will be updated on an ongoing basis as our Association continues to grow and prosper. Please use the link above to share your writing with us if you have an article or testimony previously or soon to be published in the Journal or Sentinel, the Monitor, or another medium or forum.
