UNCLASSIFIED

Title: FSC 107 February IDT (MUTA 6)

Background of Event: The FSC conducted a home station IDT weekend in Marquette and Ishpeming from 7-9 February 2020.

Key Points of Training:

The FSC made the most of it's 3-day drill weekend in February by improving unit readiness, fitness, and morale. Friday started off with a Unit Risk Inventory and the annual Medical Readiness Event in Ishpeming. Saturday consisted of ACFT familiarity and fitness training; an SSLI brief from Brad Howell, section PMCS on assigned equipment, PMI on the EST II and training on the JCR system. Sunday continued with more readiness improvement by completing required equipment services, validating all vehicular radio systems, continued JCR training and some remedial training on the EST II. The FSC was excited to promote SPC Milliner to SGT, welcome one new Soldier, PFC Schwartz, to the unit and to also award unit coins from the command team for six Soldiers who had recently extended to stay in the Michigan Army National Guard.

1437 EN CO (MRBC)
Marquette, MI
8-9 February 2020

UNCLASSIFIED

Title: 1437 EN CO (MRBC) IDT weekend at Marquette, MI.

Background of Event: The 1437 EN CO conducts a winter training event in Marquette, MI.

Key Points of Training: 1437 EN CO personnel drilled out of the Forward Support Company's Armory in Marquette, holding drill simultaneously as FSC. The FSC was a very gracious host, and provided excellent food service support. Utilizing the NMU ROTC Land Nav course at Forestville, the 1437th completed a winter training event. Land nav and CBRN individual tasks were the main focus during the exercise. Soldiers from both the 1437 and FSC were briefed on State Sponsored Life Insurance and given the opportunity to enroll in the program. Select individuals who were not present at November IDT completed the Medical Readiness Event at Ishpeming.
