

Title: IDT – December 2018

Background of Event: HHC conducted December drill at the Ishpeming Armory with a focus on equipment recovery and retention events.

Key Points of Training: Saturday most of the focus was on equipment recovery, inventories, and reset of the Resolute Castle equipment. Sections Finished winterizing their vehicles and completed necessary PMCS and services. The annual retirement dinner was also conducted Saturday evening with CPT Waara from HHC being recognized, as well as several Soldiers from HHC.

On Sunday, the unit completed a number of administrative and section tasks before heading over to the Marquette Armory for the FRG Holiday Party. Soldiers enjoyed a great lunch with their families and the kids had the opportunity to meet Santa, do various arts and crafts and receive gifts.

Title: FSC IDT weekend at the Ishpeming and Marquette Armories.

Background of Event: Annual Briefs, drivers training, semi-annual weigh in, retirement ceremony and Christmas party.

Key Points of Training:
FSC Soldiers started off the drill weekend with our semi-annual weigh in. From there, Soldiers were divided into small groups to learn the first step of drivers training, PMCS. After lunch the unit was well educated during our annual briefs. FSC was released to change into their ASU and bring family members to the retirement ceremony in Ishpeming.

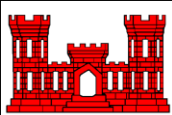

On Sunday, the FRG held the children's Christmas gathering in Marquette. We began with a family luncheon and trips to the gift table while we waited for our guest of honor, Santa.

Top Left: SSG Kirkpatrick (Retired) receiving his retirement gifts

Top Right: SSG Karl Ahola (Retired) receiving his retirement gifts

Bottom Left: Santa hands out gifts to the children

Bottom Right: Soldiers enjoy the retirement ceremony in Ishpeming

Title: IDT – December 2018

Background of Event: Home station IDT with focus on construction operations and survivability.

Key Points of Training:

We welcomed five Soldiers to the Unit, which included our new First Sergeant and promoted SGT Jones to SSG and PFC Langworthy to SPC. Construction operations classes were conducted on Creating/Reviewing Floor Plans and Prepare a Bill of Material to help aid in the preparation for Annual Training. Survivability class consisted of Coordinating Survivability Operations with a focus on the use/operation of the skid-steer throughout the Company. In conjunction, a Resiliency block was given for all Soldiers. Maintenance services were completed. All new M4s were assigned and cleaned from initial receipt. Admin tasks were accomplished to include NCOERs, GOVCC applications, and family readiness forms.

Title:

The 1432 Engineer Company (ESC) IDT weekend at the Gladstone Armory.

Background of Event:

1432 ESC Soldiers conducted annual briefs and CBRNE training along with an FRG event/retirement ceremony.

Key Points of Training:

Soldiers from the 1432nd started off the drill with a complete ASU inspection followed by completing training requirements revolving around CBRNE and resilience. Annual briefs were also part of the weekend. After the training, the Soldiers prepared for the FRG event and retirement ceremony. A great time, with great food, was had by all.

Top Left and Right: SGT Robert Koszla and SSG Daren Holt are recognized by CPT Pfiester and 1SG Solberg during the retirement ceremony.

Top Middle and Bottom Right: SGT Hendrickson taught Soldier's how to react to their current environment during the CBRNE exercise.

Bottom Left: SSG Leahy provides valuable insight and lessons to the company.

Title: Change of Command Ceremony and Drivers Training

Background of Event: The 1437 EN CO (MRBC) welcomed CPT Rodenberg as our new company commander while saying goodbye to CPT Anderson.

Key Points of Training: The 1437th welcomed five new soldiers and promoted two new E5's and one new E6. Following the change of command ceremony Soldiers were engaged in admin tasks as well as drivers training. Soldiers who had already been certified on vehicles were taking demolition classes in preparation for next drill. The 1437th FRG held a holiday celebration at the end of drill allowing soldiers to bring their families in and spend some quality time with the other half of our great team.
