**HHC 107**  
Ishpeming, Michigan  
05-06 January 2019

**UNCLASSIFIED**

**Title:** IDT – January 2019

**Background of Event:** HHC conducted November drill at the Ishpeming Armory with a focus on team building and individual equipment maintenance.

**Key Points of Training:** Drill weekend started Saturday morning, the training focus was on CLS Recertification and Individual Weapons PMI on the M4 and M249, CSW PMI on the 240B and Individual training on Communications. Soldiers were briefed on the State Life Insurance, Ammunition Amnesty and conducted a Command Climate Survey. PFC Wilkins was promoted to SPC.

**Title:** The FSC 107 EN BN IDT weekend at the Marquette Armory

**Background of Event:** Annual Training preparation, weapons cleaning, inventory, vehicle PMCS and drivers training.

**Key Points of Training:**  
The FSC started the weekend by welcoming our newest Soldier to the unit, PV2 Seymour-Becks. CPL Jones was promoted to the rank of SGT and PV2 Neal was promoted to the rank of PFC. Soldiers embraced the snow while conducting PMCS, quarterly services, and AOAP's. Drivers training was utilized for unlicensed soldiers on all vehicles needing AOAP's. Our new weapons were cleaned and inspected for proper function. Masks were cleaned and inventoried while other Soldiers packed their duffle bags for our upcoming Annual Training.

**Top Left:** CPL Jones promotion to SGT

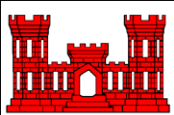

**Top Right:** PV2 Neal promotion to PFC

**Middle:** Welcoming PV2 Seymour-Becks; PFC Wozniack and CDT Curtice pack their bags; SPC Rindels trains another soldier on proper PMCS

**Bottom:** Soldiers clean weapons and masks

1430 EN CO (VCC)  
Traverse City, MI  
05-06 January, 2019

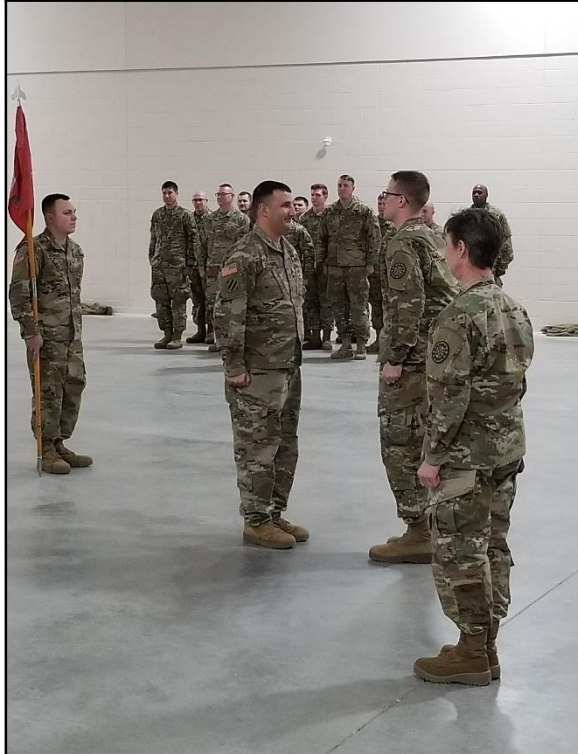

UNCLASSIFIED

**Title:** IDT – January 2019

**Background of Event:** Home station IDT with focus on construction operations and survivability.

**Key Points of Training:**

Three Soldiers were promoted this month: CPL Helman and CPL Baumgartner to SGT and PV2 Ogemaw to PFC. SFC Ormsbee was presented an AAM. Construction operations classes were conducted on Installing Electrical Switches and Receptacles and Construction Framing to further aid in the preparation for Annual Training. Survivability Operations built off last months training with operating of the skid-steer in removing snow from the Armory parking lot. PMI classes were conducted on M249/M240/M2. Inventories were completed along with a maintenance focus on services.

1431 EN CO (SAPPER)  
Calumet, MI  
05-06 January 2019

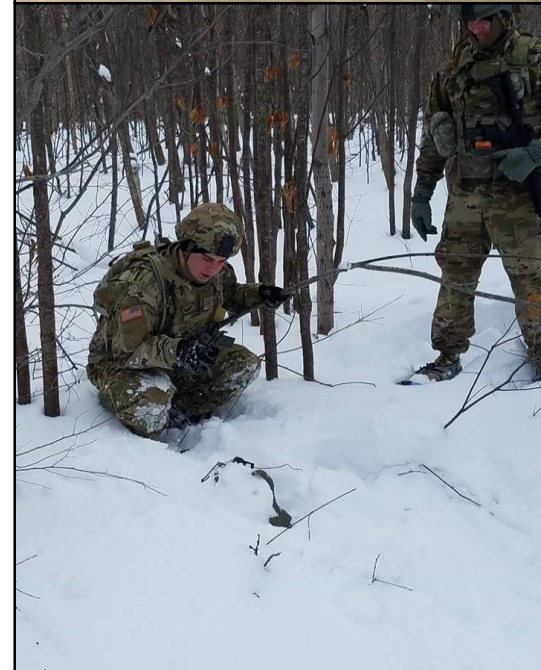

UNCLASSIFIED

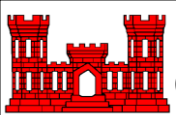

**Title:** The 1431 EN CO (SAPPER) conducted January drill in Calumet with a focus on Field Expedient Communication Systems and Proper Reporting Procedures.

**Background of Event:** Saturday began with Company PRT. The Company conducted classroom training covering Warrior Task 4, Communication. The day ended with a change of command ceremony, saying thank you to CPT Boss and welcoming CPT Sackmann.

**Key Points of Training:** The Platoons conducted movement on Sunday on snowshoes to three separate locations to execute SPOT report, SITREP report, MEDEVAC, and construct field expedient antenna's. We welcomed nine new Soldiers to the company, seven new enlistments and two previous Soldiers of the 1431<sup>st</sup> that have returned. The Commander signed three extensions and Leaders finalized plans for the unit's event scheduled for next month's drill. Leaders also discussed manning and future training requirements. As well as, several administrative tasks were completed to include: NCOERS, a SMET meeting, and a company training meeting (T6).
