Ishpeming, MI 49849

## "WELCOME TO MARQUETTE!"

Detachment 1, 1430<sup>th</sup> Engineer Company would like to cordially invite you to the 47<sup>th</sup> Annual Reunion of the 107<sup>th</sup> Engineer Association. The Soldiers and families look forward to hosting this traditional gathering of the Association. The festivities will be spread out over the weekend of **15-17 August 2008**.

On Friday, Aug 15th, beginning at noon, registration will commence. This is a great time to catch up with old friends, and get to know the new faces. The bar will be open at noon and there will be hors d'oeuvres available. At 1800 hours the social mixer will kick off with finger food and background music.

On Saturday, plan on enjoying yourself. We will start it off with a hearty breakfast. Our mess section (which is phenomenal), is planning on ensuring you start your day right with a good Army breakfast. For those of you that had too much fun on Friday, there will be Bloody Mary's available in lieu of breakfast (for a reasonable fee).

At 1100 hours, as it is customary, we will meet at the flagpole for the Memorial Service.

Following the Memorial Service, we will have a lunch on the lawn. We will be serving a standard cook-out menu, served out of the Mobile Kitchen Trailer (MKT). While you picnic on the lawn, you can either relax while enjoying the view of the beautiful Marquette weather, or check out the static display of the unit's equipment that will be on the lawn. The bar will be open all day.

After lunch, at 1300 hrs sharp, there will be the Annual Business meeting inside the Armory.

Also, we encourage you to explore the Marquette area. Of course you already know it is the largest city in the U.P. There are a lot of things to see and do in the Marquette County Area. For those of you who would like to golf, there are a number of good courses in the area. Any of the reunion staff workers can help you locate information about the courses. As always, the bar will be open at the armory.

The day's events will build up to the banquet. Cocktails will begin at 1730, and the colors will be posted at 1800. Immediately following the introduction of the Reunion Committee and the honored guests, there will be a dinner meal. As is tradition, the active Guard Soldiers (and retirees who can still fit into theirs) are requested to wear Dress Blues or Class A uniform. There will be music for your entertainment; hopefully you will bring your dancing shoes.

As a free service, the unit will provide Soldiers as Designated Drivers to provide transportation to and from your motel. So for the duration of the weekend, you can enjoy yourself to the full extent, and take advantage of our designated drivers. They will provide a taxi service from your hotels in the morning as well.

The weekend will come to a close with a brunch on Sunday morning from 0900-1100, again provided by our outstanding staff. Hopefully as you bid farewell to your friends, you can reflect on yet another wonderful Reunion and look forward to the next one.

If you have any questions, please feel free to give us a call at the Marquette Armory (906) 226-8831, we are looking forward to the opportunity to host this year's Reunion. See you there!

# TAPS

*Day is done, gone the sun*

*From the lake, from the hill.*

*From the sky*

*All is well, safely rest. God is nigh.*

*Thanks and praise for our days*

*'neath the sun, 'neath the stars,*

*'neath the sky.*

*As we go, this we know. God is nigh.*

## In Flanders Fields

In Flanders Fields the poppies blow  
Between the crosses row on row,  
That mark our place; and in the sky  
The larks, still bravely singing, fly  
Scarce heard amid the guns below.

We are the Dead. Short days ago  
We lived, felt dawn, saw sunset glow,  
Loved and were loved, and now we lie  
In Flanders Fields.

Take up our quarrel with the foe  
To you from failing hands we throw  
The torch, be yours to hold it high.  
If ye break faith with us who die  
We shall not sleep, though poppies grow  
In Flanders Fields.

## Additions to the mailing list

If you are getting this Bull Sheet for the first time (or first time in a long time) don't be alarmed. ☺ It's because I have done a little home work this past year. I contacted all the armory full time NCOICs and got a listing of their unit retirees/alumni. Many of you were not on the Association mailing list. I have added you in hopes of getting you active in the Association by attending the annual reunions. I need help with finding the retirees/alumni from the Ironwood Armory. If you have contact info about Ironwood retirees/alumni or ANY battalion retiree/alumni, please contact me either through the website or the Ishpeming mailing address. These addresses are ONLY used for Association/unit mailings, NEVER for commercial use!!!

107<sup>th</sup> Engineer Association  
Business Meeting Minutes  
21 July 2007  
Sault Ste. Marie, MI

1. The meeting was called to order at 1308 hrs by President George Kotkowicz. 27 members were in attendance.
  2. The minutes from the 2006 business meeting were read by Secretary Tom Perry. A motion was made by Dan Garceau and seconded by Joe Testolin to approve the minutes as read. Motion carried.
  3. The 2007 Treasurers Report was presented by Treasurer Don Bussiere. A motion was made by Dennis Cummings and seconded by Don Small to approve the report. Motion Carried.
  4. Old Business:
    - a. The Association is still maintaining a web site. Ross Stevens, the webmaster, has informed the secretary that the web hosting fees are \$10 per month. A motion was made by Ed Jachimski and seconded by Jim Dougovito to pay the website costs. Motion carried.
    - b. After some research and investigating it was determined that at this time it is too difficult to try and sell Association Memorabilia on the website. The logistics turned out to be too difficult because off all the different personnel involved and their vast separation geographically.
    - c. The flags on the Battalion monument as Camp Grayling were repainted and look good. There are now two other organizational monuments located at the memorial park and one MI Army National Guard KIA monument.
    - d. As a follow up to last year's business meeting there was again a lot of discussion about the remaining money in the "memorialization fund." Treasurer Bussiere informed us that there is \$3047 still earmarked for said purpose. After a lengthy discussion it was agreed that the money should stay earmarked for memorialization and for up keep on the existing monuments and plaques. A motion was made by Mike Floriano and seconded by Gary Marcotte to place the funds in a CD until such time that we need to use some of it for memorial activities. Motion carried.
    - e. At the 2006 business meeting in Ishpeming, Dennis Cummings and his wife volunteered to pay any extra costs for mailing a 2007 Bull Sheet to every Soldier in the battalion. The additional costs came out to be approximately \$150. We had a very poor response from the additional mailings. We received about 4 responses from Soldiers who were not already on the Association mailing list. So it was determined we probably wouldn't try that idea again for a few years. In living up to his part of the bargain, Dennis made a generous donation to the Association as well as a speech on the state of patriotism in our country. He gave \$120 toward the mailing costs. He donated \$50 in honor of Mr. Wayne Ray, who is one of our 85+ year old members and a WW II vet. Mr. Ray, who is in his late 80's, paid for a LIFE Membership in the Association. I guess he figures he is going to live long enough to make it a wise monetary decision. Dennis also donated \$80 in honor of his 4 nephews serving in Iraq and Afghanistan and \$50 in memory of the late CSM Dick Oja.
  5. New Business:
    - a. A motion was made by Tim Houle and seconded by Ed Jachimski to nominate Det 1, 1431<sup>st</sup> (former Co A) Engineer Company in Baraga to host the 2008 reunion. Motion carried. (*Secretary's Note: Because of the pending mobilization of the 1431<sup>st</sup> Engr Co, the decision was made, mid-year, to move the 2008 reunion to the Marquette Armory. Det 1, 1430<sup>th</sup> Engr Co will be our hosts.*)
    - b. A motion was made by Jim Dougovito and seconded by Ed Jachimski to have the reunion dates be 15-17 August 2008. Motion carried.
    - c. The following slate of officers was presented for approval. Motion made by Ed Jachimski and seconded by Dan Garceau to approve the slate as presented. Motion carried.
      - i. President, SFC James Turnunen , *1LT Jason Rolling*
      - ii. Vice President, SSG Timothy Houle, *SSG Michael Giroux*  
(*The above two positions changed as a result of the new reunion location.*)
      - iii. Secretary, LTC(ret) Thomas Perry
      - iv. Treasurer, 1SG(ret) Donald Bussiere
      - v. Public Relations Officer, CPT Scott Etelamaki
      - vi. Historian, SFC Perry Nora
      - vii. Chaplain, LTC(ret) George Hansen
      - viii. Permanent Director(Battalion Commander), LTC Bud Degrote
      - ix. 4 Year Director, MAJ(ret) Edward (Chum) Leask
      - x. 3 Year Director, CSM Darrell Wagner
      - xi. 2 Year Director, SFC James Turnunen
      - xii. 1 Year Director, SGT(ret) Joseph Testolin
      - xiii. Secretary Emeritus, Mr. Edward Vickstrom
    - d. I have created a CD with all the Bull Sheets on it. It will be for sale with the other trinkets at the reunion. Anyone who has paid for a life membership in the Association will receive a free copy of the CD, if they want it. Regular price of the CD is \$10.
  6. The meeting concluded with MAJ(ret) Ed Jachimski leading the members in reciting the Association Pledge.
  7. A motion was made by Don Small and seconded by Fern Dahlgren to adjourn at 1348 hrs. Motion carried.
- Respectfully submitted,  
Thomas Perry, Secretary

### Association Information

1. Our internet web address is [www.107thengineers.org](http://www.107thengineers.org). The minutes from the 2007 business meeting and lots of other info about the battalion and Association is posted on the website.
2. Over the last 5 years the Association treasury has been reduced significantly. This is caused by a number of things. The "Bull Sheet" expenses (printing and mailing mostly) are increasing, we are doing more discretionary spending, reunion attendance is lower, fewer members are paying dues, and some members don't even want to pay the registration fee (\$5) at the reunion. I have stopped mailing out membership cards to those who don't attend the reunion so we can save some money. The only sources of Association income are donations, dues, reunion registration fee, and interest from our CDs. That's it! We sell hats, license plates, etc, a little above cost as a service to our members.
3. If you have an article, a picture, or whatever that you would like to see printed in the "Bull Sheet" please send them to the Ishpeming Armory address on the Bull Sheet masthead or e-mail me at [secretary@107thengineers.org](mailto:secretary@107thengineers.org). I am always interested in receiving names, mailing addresses and e-mail addresses for ANY battalion retiree or alumni.

### **Location Change for 2008 Reunion**

The location for the 47<sup>th</sup> annual reunion of the Association has been changed to the Marquette Armory. At the annual business meeting in Sault Ste. Marie during the 2007 reunion, it was voted to have the reunion in Baraga. After the reunion last year the 1431<sup>st</sup> Engineer Company (formerly Co A) was notified that they were going to be mobilized for duty in Iraq toward the end of 2008. Because of the extra training requirements and other preparations for the mobilization, the unit asked that they be relieved of the responsibility of hosting the reunion. The 1431<sup>st</sup> will also be at Annual Training at Camp Grayling on the dates of the reunion. After numerous phone calls to find a different location, the unit assigned to Marquette, Det 1, 1430<sup>th</sup> Engineer Co, volunteered to host the reunion. The dates are the same 15-17 August 2008. 1LT Jason Rolling volunteered to serve as the President and SSG Mike Giroux volunteered to serve as the VP. Thanks to Det 1, 1430<sup>th</sup> Engineer Co. for volunteering to help out the Association by hosting the reunion. (continued)

(continued)

If my memory serves me correctly, the last time the reunion was held in Marquette was 1988. I was a 2LT and the Detachment Commander of Det 1, HHC 107 Engr Bn in Marquette. The award for the youngest member of the Association attending the reunion that year was given to (then) SSG Ken Kampe. WOW that was a long time ago!!!! The reason we haven't been back the Marquette Armory for so many years is that the unit assigned there was not a part of the battalion. The 1075<sup>th</sup> Maintenance Company was assigned to Marquette for almost 20 years. The 1075<sup>th</sup> was formed around a core of many 107<sup>th</sup> NCOs and officers. But over the years they built their own legacy and NCO/officer corps. The 1075<sup>th</sup> was deactivated in 2006. As a result of the reorganization of the MI Army National Guard, Det 1, 1430<sup>th</sup> Engineer Company (formerly Co C, 107<sup>th</sup>) was assigned to the Marquette Armory. When the 1075<sup>th</sup> deactivated, many of the Soldiers transferred to the Field Support Company in Ishpeming and deployed to Iraq with the unit. The Marquette Armory was the location of the very first reunion held August 20, 1961.

### **Battalion Mobilizations and Happenings since the Last Bull Sheet**

Most of you know that the former HHC, now HSC & FSC, were mobilized last summer. They left for mobilization station on 22 July 2007, the last day of the 2007 Association reunion. They will be home sometime late this summer.

The 1431<sup>st</sup> Engineer Company (formerly Co A) was notified late in 2007 that they would be mobilized for duty in Iraq some time in late 2008. They have been going through a lot of individual and unit training in preparation for their mission.

The 1432<sup>nd</sup> Engineer Company (formerly Co B) performed their Annual Training in December 2007 in Douglas, Arizona. They supported the border security mission, Operation Jump Start, by installing fence and repairing roads.

The 1430<sup>th</sup> Engineer Company (formerly Co C) performed their AT in Honduras in March- doing concrete construction work. They poured concrete foundations and footings for future water storage tanks and school construction.

The 1437<sup>th</sup> Engineer Company went to annual training at Camp Ripley, MN in June 2007. This year they are performing a home station annual training because they are receiving a new bridge. It is called the Dry Span Bridge, which is relatively new to the Army inventory.

Former 107<sup>th</sup> Engineer Battalion commanders and command sergeant major taken at the 2007 reunion in Sault Ste Marie. Pictured left to right:

BG (ret) Peter Injasoulian  
CSM (ret) Michael Floriano

## Reorganization of the 107<sup>th</sup> Engineer Battalion

Over the last few years the Army has been going through a “transformation” and fighting the Global War On Terrorism (GWOT). The MI Army National Guard and the 107<sup>th</sup> Engineer Battalion have been affected by this initiative. In the Engineer branch there are no longer any “organic battalions.” An organic battalion was an organization where there was an HHC and lettered line companies. In time of war the whole battalion was to mobilize as a whole, like the WW II days. Those of you who have followed the battalion’s activities in the last few years know that there have been half dozen partial mobilizations of the battalion’s personnel to support the GWOT. Now the battalion is no longer an organic battalion. Each company is a separate mobilization entity with a number designation and can/will be called to active duty individually by company. This reorganization of the battalion and deactivation of other UP units is detailed in the table below. HSC, 107<sup>th</sup> Engineer Battalion will be the peacetime command and control headquarters for all the UP units.

<u>Old Name</u>	<u>New Name</u>	<u>Location</u>
HHC	<b>Headquarter &amp; Support Co (HSC)</b> This is the Bn HQ, “S” sections, and most of the other HHC sections.	Ishpeming
New unit	<b>Field Support Co (FSC)</b> This company is basically the maintenance and transportation sections.	Ishpeming
Co A	<b>1431<sup>st</sup> Engr Co (Sapper)</b>	Calumet
Det 1, Co A	<b>Det 1, 1431<sup>st</sup> En Co</b>	Baraga
Co B	<b>1432<sup>nd</sup> Engr Co (Horizontal const)</b>	Iron River
Det 1, Co B	<b>Det 1, 1432<sup>nd</sup></b>	Kingsford
Co C	<b>1430<sup>th</sup> Engr Co (Vertical const)</b>	Gladstone
New unit	<b>Det 1, 1430<sup>th</sup></b>	Marquette
1437 <sup>th</sup>	same name and mission	Sault Ste. Marie

The Ironwood armory is closed. The 1075<sup>th</sup> Maintenance Co formerly of Marquette is deactivated. The 46<sup>th</sup> MP Company formerly of Kingsford moved downstate to Cheboygan and Alpena. The Manistique and Menominee Armories were closed a few years back as a cost cutting measure for the state.

### Retirement Ceremony for **CSM Michael J. Floriano**

A distinguished military career has ended and it’s time to celebrate and honor CSM Mike Floriano. The celebration was delayed because of the mobilization of HSC & FSC, 107<sup>th</sup> Engineer Battalion. We wanted to wait until they returned so they could be included in the celebration. The units should be home by the time of the scheduled ceremony. Invitations and notices will be posted in the very near future. This message serves as a Warning Order for you to prepare your plans to attend this event and honor our Command Sergeant Major and his wife Debbie.

Saturday, 6 September 2008  
1700 hrs- ???

Kingsford Armory, Kingsford, Michigan

Cost: \$15 per person

Uniform: Dress Blues/Class A or semi-formal civilian attire
