## SADIE HINKEL

Sadie Hinkel serves as the Program Director at the Alzheimer's Association - Nebraska Chapter, where she leads the development and delivery of community-based programs and services that support individuals affected by Alzheimer's disease and other forms of dementia. With a deep commitment for providing and enhancing care and support for those living with Alzheimer's disease and other dementias and their caregivers, Sadie oversees educational initiatives, support group coordination, outreach partnerships, and strategic planning to expand the Association's reach and impact. Sadie has her Master's degree in writing and has extensive experience working in public education and advocacy.
