

# RULES OF PLAY

## SOFT PLAY & PLAY CENTRE SAFETY RULES

---

It is the responsibility of all parents, guardians, and supervising adults to ensure that all reasonable steps are taken to prevent injury or damage while using the Centre's facilities.

Please ensure the following Safety Rules are followed at all times:

**IMPORTANT:** Please do not enter **Funny Bunnies Play Centre** if you or your child have experienced vomiting, diarrhoea, or flu-like symptoms within the last 48–72 hours.

1. All shoes, glasses, jewellery, badges, and sharp objects **MUST** be removed before entering any play areas. Supervising adults must also remove shoes where required. Any damage caused may result in charges.
2. Socks **MUST** be worn at all times by both children and adults in play areas for hygiene and safety reasons. No bare feet are permitted. Socks are available for purchase if required.
3. Children **MUST** be supervised at all times by a responsible adult (18+). The Centre does not accept responsibility for accidents or injuries resulting from lack of supervision.
4. No pets or sharp objects are permitted on or near any play equipment.
5. No streamers, face paint, party poppers, glitter, or silly string are permitted, as these may permanently damage equipment.
6. No food, drinks, or chewing gum are allowed in any play areas. Food and beverages must be consumed in designated café/seating areas only.
7. Adults must not sit, climb, or use soft play equipment. If entering the ball pit to assist a child, please sit on the matting, not on the balls.
8. Running in general areas is part of play but can be hazardous—children must not run through or across soft play equipment.
9. Children must not push, collide, fight, or behave in a way that may cause injury or distress to others.
10. Smoking, vaping, and the consumption of alcohol are strictly prohibited within the Centre and surrounding areas.
11. Play areas must not be overcrowded. Please ensure children have adequate space to play safely and separate younger and older children where possible.
12. Age restrictions apply to certain equipment (e.g. soft play areas are for children aged 5 years and under). Please follow all signage and staff instructions.
13. Children or adults with existing injuries (including back or neck issues), or who are feeling unwell, must not use the equipment.
14. Equipment must not be used if it is wet or unsafe, as surfaces may become slippery. Please notify staff immediately.
15. Equipment may become hot; please take care and notify staff if any area appears unsafe.
16. Customers are responsible for treating all equipment with care. Any damage caused may result in repair or replacement charges.
17. No equipment is to be moved, removed, or interfered with. Only authorised staff may adjust or relocate equipment.
18. Funny Bunnies Play Centre accepts no liability for injuries sustained while using the facilities where negligence has not occurred. Use of the Centre is at your own risk.
19. All accidents or incidents must be reported to staff immediately, and an incident form must be completed at the time.
20. Most importantly — have fun and play safely!
