

Let's Talk About It Together

Reflection & Discussion Page

1. What do you think “home” means?

Is it a place? A feeling?

Or the people (and pets!) we love?

(What makes you feel at home?)

2. Who in your life helps you feel loved,

safe, and accepted, just as you are?

Can you think of a moment when someone

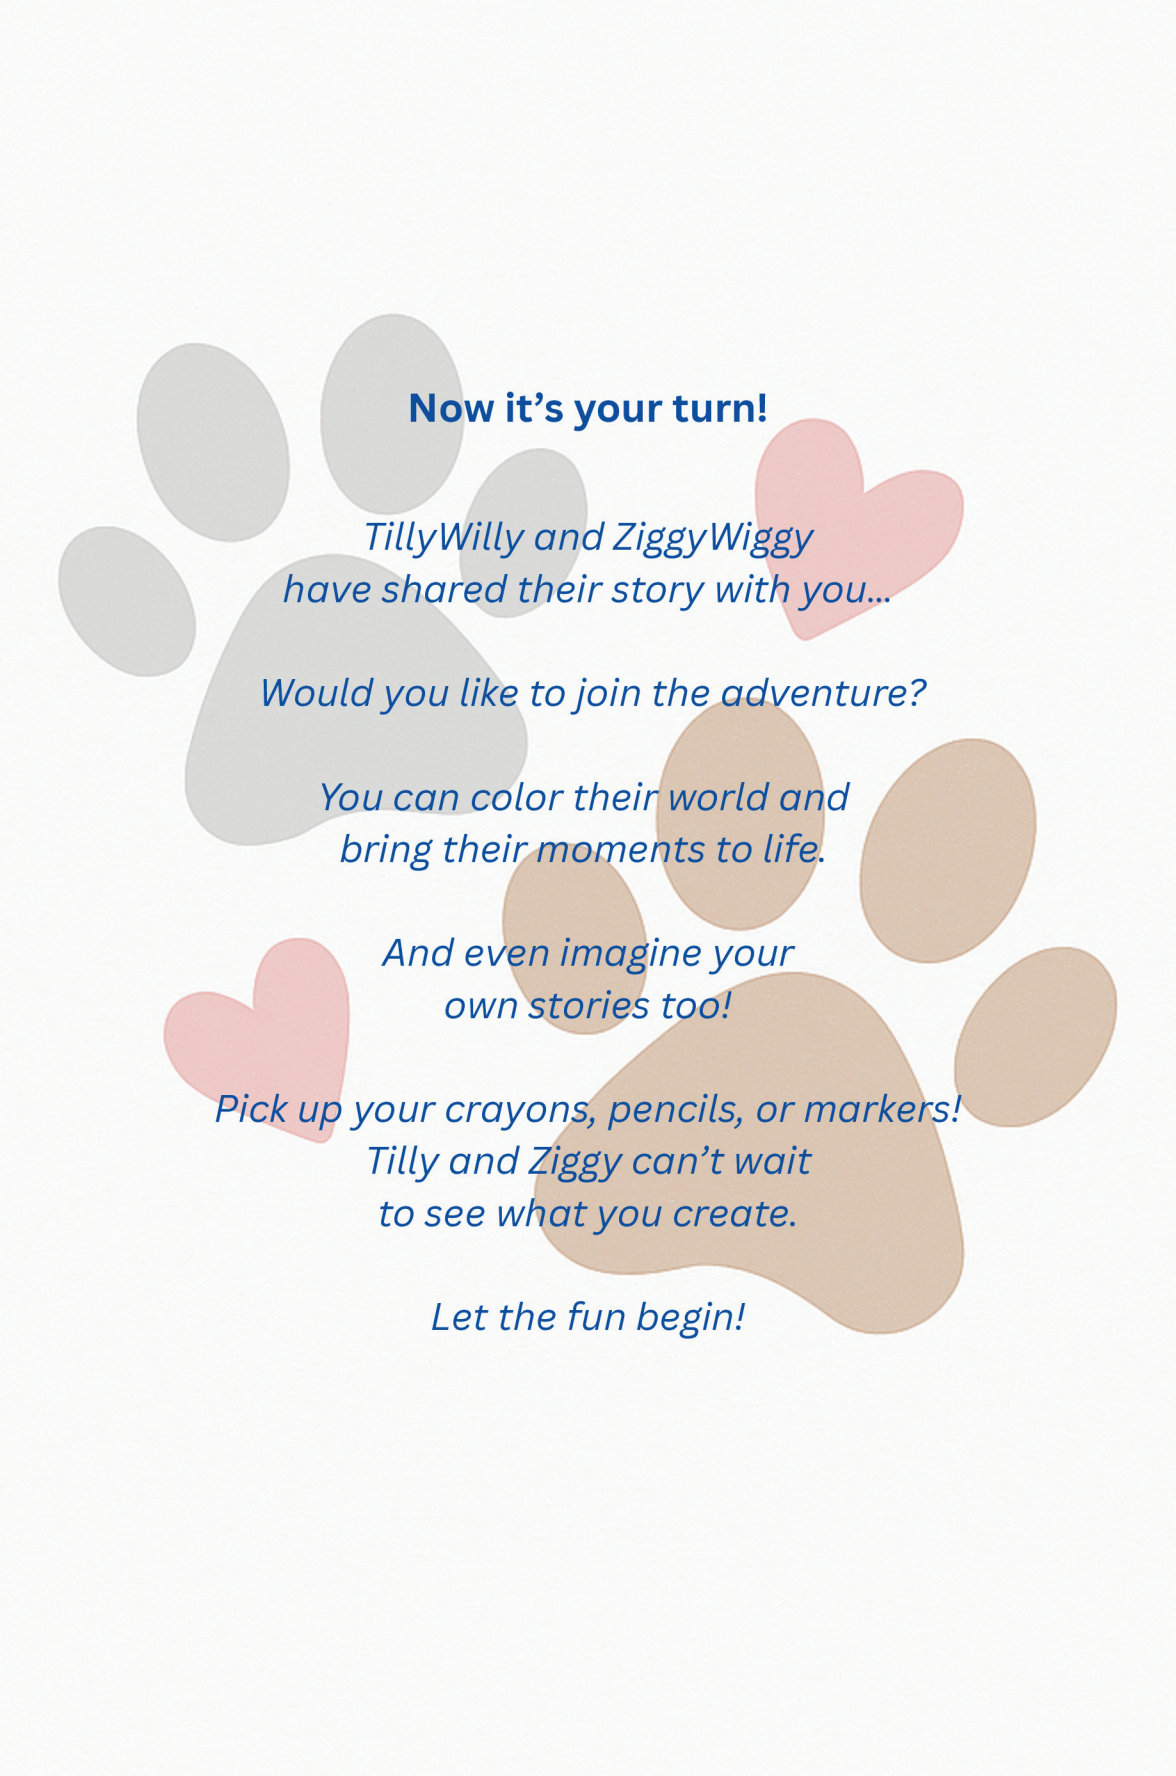

made you feel really seen or cared for?

3. What are some of your favorite ways

to have fun or play with someone you love?

Is it going outside, reading stories, cuddling,

or just being silly?

The background features several large, stylized paw prints in shades of gray and brown, and two red hearts. The text is centered and reads:

Now it's your turn!

*TillyWilly and ZiggyWiggy
have shared their story with you...*

Would you like to join the adventure?

*You can color their world and
bring their moments to life.*

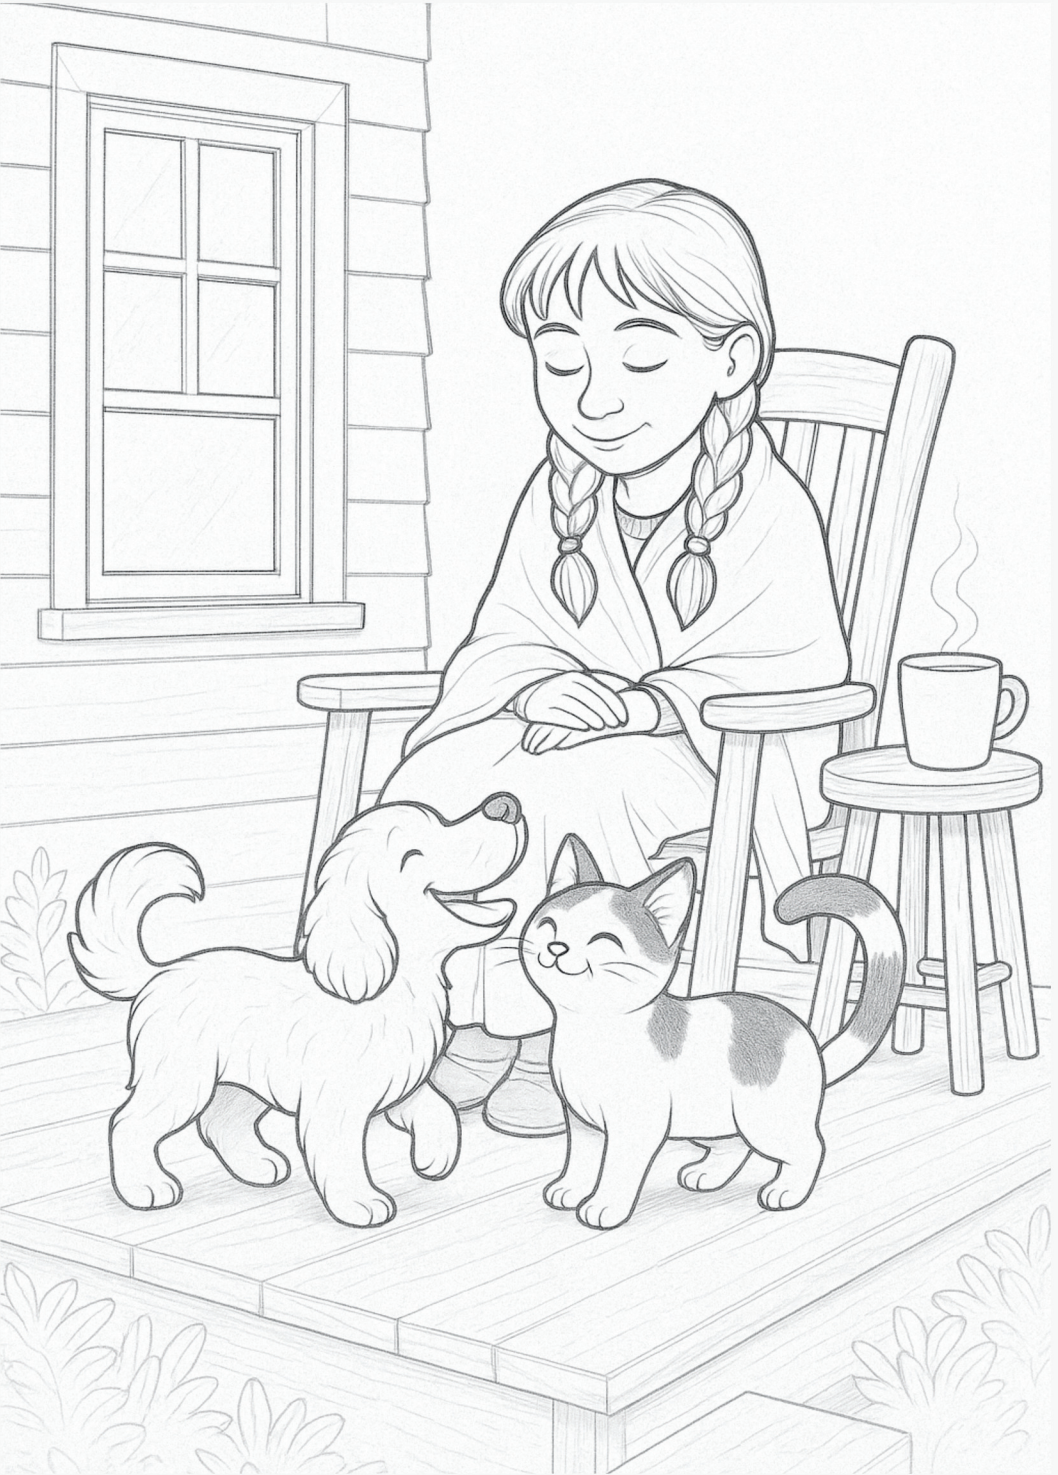

*And even imagine your
own stories too!*

*Pick up your crayons, pencils, or markers!
Tilly and Ziggy can't wait
to see what you create.*

Let the fun begin!
