Set a budget and reimburse tax-free for individual plans and medical expenses using either a NEW ICHRA for 2020 or the existing QSEHRA

Smart Choices Healthcare
Creative Employee Benefit Strategies

1. Establish your budget

You control the costs and set the monthly reimbursement allowances for employees

2. Employees purchase the health plan they want

We can help provide personalized recommendations or employees can bring their own plan

3. Reimburse each month

We'll handle receipts and reporting. Automatically reimburse through payroll or write checks.

Simple Administration

- ✓ No Setup Fees, No Contracts
- ✓ Employees Choose Their Own Plan
