

Eco Series Wall-Mounted Racks

Application Focused, Value Optimized

Product Highlights

Available in 6U, 9U, 12U and 15U with standard 600mm width and several depth options: From 300mm to 600mm*. Loading capacity ranges from 70 Kg (6U & 9U) to 80 Kg (12U & 15U). The black RAL9004 color provides serious professional look with high-end paint technologies applied in the production process, and toughened glass door with durable SPCC cold rolled steel frame guarantees ability to withstand any job demands and provide protection to your assets.

* Please refer to ordering table for more details

1
