

DEEP *Cleaning*

Comprehensive, Top-to-Bottom Reset for Your Home

Deep Cleaning is a thorough and detailed service that targets accumulated grime, hard-to-reach areas, and neglected spaces. It is often the first step before starting a recurring cleaning plan and is ideal for homes that haven't been professionally cleaned in a while.

What is Deep Cleaning?

Deep Cleaning is a comprehensive and intensive cleaning service designed to eliminate built-up grime, deep-set dust, and hard-to-reach dirt. It includes everything in a regular cleaning, plus extra attention to neglected or less frequently cleaned areas. This service resets your home to a pristine state.

Ideal For:

- First-time clients before starting recurring services
- Homes that haven't been professionally cleaned in over 3 months
- Households with pets, children, or allergy-sensitive residents
- Seasonal transitions (spring cleaning, fall deep cleans)
- Special occasions, guest preparations, or post-event recovery

Recommended Frequency:

- Every 3 to 4 months
- Before starting ongoing regular cleaning services
- Prior to or after hosting events or holiday seasons

What Makes Our Deep Cleaning Different?

At Tatiana's Cleaning, our deep cleaning goes far beyond surface-level tidying. We meticulously clean hard-to-reach areas, use advanced techniques to remove stubborn grime, and address buildup that traditional cleanings miss. Every corner, edge, and detail is treated with precision to restore your home's freshness.

Why Deep Cleaning Matters:

Deep cleaning resets your home's hygiene foundation. It's essential for eliminating allergens, bacteria, and built-up dirt, improving indoor air quality, and making recurring cleanings more effective. It's also crucial before starting any ongoing maintenance schedule.
