

Preaching Christ Halifax

“Proclaiming the Gospel through biblical evangelism in Halifax”

VISION

MEN’S FELLOWSHIP

PREACHING CHRIST HALIFAX is focused on men coming together in the bond of Christian Brotherhood. Fostering spiritual growth, encouragement and a sense of community, our ministry is a platform for nurturing relationships, discipleship and mentorship of Christian men. Our varied approach is to engage the men during the first part of the Friday night meeting by having an open sharing of scriptures, praises and updates on life events. At times, we will gather to meet for a communal meal or coffee. The Leaders are engaged in one-one mentorship which functions as an additional tool for fellowship.

TRAINING

PREACHING CHRIST HALIFAX provides biblical training to equip men to “Proclaim the Gospel through Biblical Evangelism”. Through a combination of training videos, one-on-one mentorship and an annual Men’s retreat event, we aim to fortify the cohesion, alignment and overall effectiveness of our ministry.

ACCOUNTABILITY

PREACHING CHRIST HALIFAX views accountability as an anchor to progressing as biblical evangelists. With this, we all agree to our Foundation Documents and members of the ministry are determined to remain teachable. The ministry Leaders are accountable to the Partners and all other ministry participants are accountable to the Leaders. We will maintain a contact list of ministry participants in order to share information and weather cancellations.

METHODS

PREACHING CHRIST HALIFAX will use approved Gospel Tracts to engage the public as well as one-on-one conversations. Engaging people in a Gospel conversation must be done using the 10 Commandment method. We discourage the offering of personal items, gifts or cash. The ministry uses Gift Cards on occasion to enhance the Gospel in conversations. Overall demeanor in our tone and conduct is one of gentleness and respect.

PREACHING

PREACHING CHRIST HALIFAX allows preaching during ministry activities as directed by the Leaders. Preaching is limited in scope and will only contain a biblical proclamation of the Gospel. The locations are subject to change and determined by the Leaders before the evening begins. The message will not contain any specific direct references to the following; LGBT, homosexuality, abortion, politics and directly speaking negatively of other religions. Our demeanor during the presentation will always remain respectful in light of our belief that the Lost are blinded by the God of this age and that the Gospel is the only power of God to salvation.
