

August 2026 Newsletter

Happy August!

It's been a little quiet around here, but for good reason! Between college visits, family time, final edits, designing my cover, and simply trying to be present this summer, there wasn't a July newsletter.

But now I finally get to share the news I've been waiting for...

Hidden in Plain Sight, the second Toni Accardi Mystery, officially releases **September 14, 2026** and is available now for **pre-order on Kindle Unlimited!**

And... here's the cover! ➡

This book has truly been a labor of love, and I can't wait for you to meet these characters and dive into the mystery.

To celebrate sending the book off to for publishing, my family and I spent the day in New York City enjoying a mini food tour through Lower Manhattan before ending the day at Time Out Market in Brooklyn. Great food, beautiful views, and lots of laughs it was the perfect way to celebrate.

Now it's time to get Jade ready for her senior year of high school, help my husband prepare for the new school year, and spend these last few weeks of summer together. I'll also be busy promoting the book while I anxiously wait for my ARC reviews to start rolling in!

And if you haven't read **City Roots: The Reunion**, the short story that follows **City Roots: The Neighborhood**, both are available now on Kindle Unlimited.

Thank you, as always, for supporting my writing. I can't wait to celebrate release day with all of you next month!

With love,
Lu Gonzalez
