Important Update-Self-Pay Patients

January 17, 2022

Dear Patients,

This is a notice that there will be an increase in cost of care provided to you by the physicians of Arlington Family Health. **The new pricing is to take effect on March 1, 2022.**

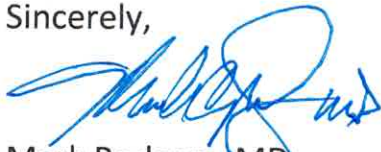

Since 2021, Arlington Family Health has seen an ever-increasing cost in necessary supplies to provide the best care to our patients.

We value your trust in allowing us to serve you and be a part of your healthcare needs, and we hope that you continue to trust us to be a part of that need.

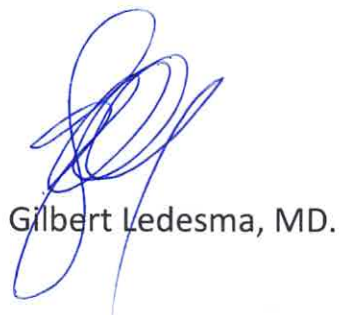

If you have any questions about the above changes, contact Nachele Saucedo (office manager) at 817-277-2671 ext. 206.

We thank you for your support and continued business.

Sincerely,

Mark Rodgers, MD

Gilbert Ledesma, MD.
