

TO WHOM SO EVER IT MAY CONCERN

M/s. Electrotherm India Limited, having their corporate office at Survey No. 72, Palodia, Via Thaltej, Ahmedabad,-382115, Gujarat, India have been awarded the contract for supply of Ductile Iron Pipes DN 250 – 600mm Class K-9 as per ISO 2531 : 1998 for the construction of the water supply pipeline for the following project by M/s STECOL Corporation, Tanzania.

Contract Number: IFB/ZAWA/ZUWSP/01/CW-01/PACKAGE 2

Project Name: ZANZIBAR URBAN WATER AND SANITATION PROJECT (ZUWSP)

Package 2: Construction of Scheme Works Infrastructure for Water Supply

We have visited the Ductile Iron Pipe manufacturing facility of M/s. Electrotherm India Limited at Survey No. 325, National Highway No. 8 A, 310 KM Stone Village, Samakhiyali, Nr. Toll Tax Booth, Kutch, Gujarat - 370140, India to witness the production, testing and quality assurance procedures involved in the manufacturing of the pipes for this project.

We hereby confirm that we are extremely satisfied with the manufacturing infrastructure and quality assurance procedures followed by Electrotherm in the manufacturing of the Ductile Iron pipes for the above-mentioned project, and that M/s. Electrotherm India Limited may be considered as an approved supplier for Ductile Iron Pipes to Zanzibar Water Authority.

We wish Electrotherm all the very best in their future endeavours to continue to supply high quality products for the water industry.

For and on behalf of Zanzibar Water Authority,

Eng. Mussa Ramadhan Haji

(Director General – Zanzibar Water Authority)

Eng. Maulid Hassan Khamis

(Technical Operational Director - Zanzibar Water Authority)

DATED 26th Day of May 2018

PLACE: SAMAKHIYALI, GUJARAT, INDIA.
