Swaziland Water Services Corporation – SWSC 05 of 2017/18: Construction of Mbabane – Ezulwini**Gravity Mains Pipeline****Completion of Supply of Ductile Iron Pipe**

We hereby confirm that Electrotherm India Ltd, and their agent, Baywater Technology (Pty) Ltd, have successfully executed the supply of Ductile Iron pipes for our project, Construction of Mbabane to Ezulwini Gravity Mains Pipeline, in Swaziland.

For this project, Electrotherm have supplied the following pipes conforming to BS EN545 2010:

Electrotherm brand of Ductile Iron pipes	DN500 C40 -	12133 meters
	DN500 C30 -	5005 meters
	DN200 C40 –	1001 meters

We hereby confirm that we are very satisfied with the quality of the products supplied, after sales service, product support and training provided on site.

The pipes were delivered within the required delivery period, and we would have no hesitation using them and their products in future projects.

Should you have any queries contact the writer.

Yours faithfully
