

23 March 2020

To whom it may concern

**Swaziland Water Services Corporation – SWSC 05 of 2017/18: Construction of Mbabane – Ezulwini Gravity Mains Pipeline**

We hereby certify that

M/s. LIAONING EVER METAL FORMING TECH CO. LTD, having their factory at No. 7, Shifu Avenue, Gaizhou City, Liaoning Province, P.R. China - 115200

supplied all the ductile iron pipe fittings for the African Development Bank financed “Swaziland Water Services Corporation – SWSC 05 of 2017/18: Construction of Mbabane – Ezulwini Gravity Mains Pipeline” 15 000m long DN 500mm.

For this project, Liaoning Ever have supplied “EVER” brand fusion bonded epoxy coated Ductile Iron Pipe Fittings manufactured to EN 545: 2010, DN 500mm – 50 metric tons

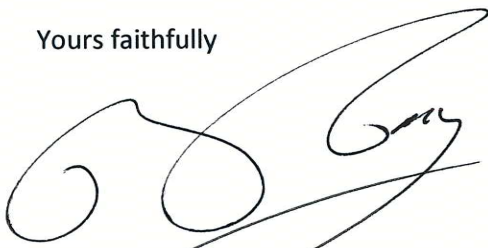

We hereby confirm that we are extremely satisfied with the quality of the products supplied, we confirm that the goods were delivered well within the scheduled delivery timeframes and have been successfully installed by Icon.

We are very satisfied with the overall support received from Liaoning Ever and their agents, M/s. Pipex Infrastructure along with their local partners in South Africa, M/s. Baywater Technology in this project and we wish them all success in their future ventures.

We would have no hesitation to use EVER ductile iron fittings in our future projects.

Should you have any queries contact the writer.

Yours faithfully
