## To Whom It May Concern:

We hereby certify that M/s. **ELECTROTHERM INDIA LIMITED**, having their factory at Survey No. 325, N.H. No. 8A, 310KM Stone, Near Toll Naka, Village – Samakhayali, Tal. Bhachau 370 140 Dist. Kutch, Gujarat, India have been associated with us for the supply of ductile iron pipes for our ongoing project for the BADEA and OFID financed “**CONSTRUCTION AND COMPLETION OF ORKESUMET WATER SUPPLY PROJECT, LOT II**” for the Ministry of Water, Govt. of Tanzania.

In this project, Electrotherm have supplied the following pipes:

- “Electrotherm” brand Ductile Iron Pipes manufactured and tested to EN 545: 2010 DN 100mm – 400mm C30 and C40 – 11,582 meters

We hereby confirm that we have visited their manufacturing facilities to witness the production and testing of the pipes along with our client, Ministry of Water, Govt of Tanzania and Babati Water Supply and Sanitation Authority (BAWASA), and consultants, M/s. Shoura Consultants, and are extremely satisfied with the quality of the products supplied, and the manufacturing and quality assurance practices followed by them.

We also confirm that the goods were delivered well within the requested delivery time lines and are currently under installation at our site.

We are very satisfied with the overall support received from Electrotherm in this project and we wish them all success in their future ventures. We would have no hesitation to cooperate with Electrotherm and use their products in our future projects.

Thanking you,

Yours sincerely,

Kamalpal Singh Jandu  
DIRECTOR  
**JANDU PLUMBERS LTD.**
