To Whom It May Concern:

We, **HELPDESK ENGINEERING TANZANIA LTD**, having our registered office at 1st Floor, ASG Building, Plot No. 107, Kamata Junction, Nyerere Road, Post Box 40626, Dar es Salaam, Tanzania are currently employed as a sub-contractor by the main contractor, M/s. M.A. Kharafi & Sons Ltd., having their registered office at Plot 113 (Opp. Kwanza Bottlers), Mikocheni Industrial Area, P.O. Box 6164, Dar es Salaam, Tanzania, who are executing the contract for the construction of the BADEA and OFID financed "**CONSTRUCTION AND COMPLETION OF SAME – MWANGA – KOROGWE WATER SUPPLY PROJECT PHASE I – LOT 1, CONSTRUCTION PACKAGE I**" for the Ministry of Water, Govt. of Tanzania.

We hereby certify that M/s. **ELECTROTHERM INDIA LIMITED**, having their factory at Survey No. 325, N.H. No. 8A, 310KM Stone, Near Toll Naka, Village – Samakhayali, Tal. Bhachau 370 140 Dist. Kutch, Gujarat, India have been associated with us for the supply of ductile iron pipes for our project.

In this project, they have supplied "Electrotherm" brand Ductile Iron Pipes manufactured and tested to ISO 2531: 1998 DN 100mm – 900mm Class K9 – 2,243 meters. The total value of goods supplied by them in this project is USD 213,035.00

We also confirm that the goods were delivered well within the requested delivery time lines and have been installed at our site. We hereby confirm that we are extremely satisfied with the quality of the products supplied, and the manufacturing and quality assurance practices followed by them.

We are very satisfied with the overall support received from Electrotherm in this project and we wish them all success in their future ventures. We would have no hesitation to cooperate with Electrotherm and use their products in our future projects.

Thanking you,

Yours sincerely,

For Helpdesk Engineering Tanzania Limited,

Annadurai Krishnasamy
