To Whom It May Concern:

We hereby certify that M/s. **ELECTROTHERM INDIA LIMITED**, having their factory at Survey No. 325, N.H. No. 8A, 310KM Stone, Near Toll Naka, Village – Samakhayali, Tal. Bhachau 370 140 Dist. Kutch, Gujarat, India has supplied all the ductile iron pipes installed by STECOL Corporation, China for the African Development Bank financed "**ZANZIBAR URBAN WATER SUPPLY & SANITATION PROJECT – PACKAGE 2: CONSTRUCTION OF SCHEME WORKS INFRASTRUCTURE FOR WATER SUPPLY**" for Zanzibar Water Authority.

In this project, Electrotherm have supplied the following pipes:

- "Electrotherm" brand Ductile Iron Pipes manufactured and tested to ISO 2531: 1998, diameters DN 250mm – 600mm Class K9 – 21,846 meters

We hereby confirm that we have visited their manufacturing facilities to witness the production and testing of the pipes and are extremely satisfied with the quality of the products supplied, and the manufacturing and quality assurance practices followed by them.

We also confirm that the goods were delivered well within the scheduled delivery timeframes and have been successfully installed, tested and commissioned by our contractor, STECOL Corporation, and that the network is now fully operational.

We are very satisfied with the overall support received from Electrotherm in this project and we wish them all success in their future ventures. Zanzibar Water Authority would have no hesitation to use Electrotherm pipes in our future projects for the expansion of the water network in Zanzibar.

Thanking you,

Yours sincerely,

For and on behalf of Zanzibar Water Authority,

Mussa Ramadhan Haji
Director General
