

**THE SAFETY OF OUR STAFF AND CUSTOMERS ARE OUR TOP PRIORITY\***

**BY APPOINTMENT ONLY**

All appointments are limited to our bride and three guests, preferably from the same household. There are no children permitted at the appointments at this time, please contact the store to discuss an exception.

**Please be advised you may be asked to complete a temperature check prior to entry.**

All visitors are required to wear their facemasks at all times. We have non-medical masks for purchase at our store. We still encourage social distancing but in the event that it is a challenge, we are all wearing personal, protective devices.

If at anytime you are not feeling well please contact our store and reschedule. If you are 15 minutes late your appointment will be cancelled. Also, secondary appointments are difficult due to the current situation. Allow 20 minutes to find parking near our store as we do not have on-site parking.

We recommend that you park at the public parking site at the corner of Geneva and Court Streets. There may be a fee to park there. It is a short walk to our front door from the parking site.

The number of brides and customers are limited each day due to the provincial operating guidelines. We encourage the use of zoom and facetime with your friends and family. Booking a return appointment at this time will be difficult as appointments are limited.

You will be taken directly to your area and given instructions. Browsing the gowns and guests roaming the store is not permitted at this time. Merchandise being tried on is at your own discretion and it will be with assistance from our consultants.

We look forward to making your experience safe and memorable.

**\*IF YOU FEEL ILL AND/OR HAVE A FEVER, PLEASE RE-SCHEDULE YOUR APPOINTMENT. WE APPRECIATE YOUR CO-OPERATION.**
