

RECYCLERS & EXPORTERS

ABOUT SLI

Over the past several years SLI Metals has developed metal collection and processing centers across the USA, SOUTH & CENTRAL AMERICA, DUBAI, and INDIA, along with a metal reclaiming plant in PAKISTAN.

SLI Metals buys and sells various ferrous and non-ferrous materials including special steel and high alloys.

SLI Metals offers integrated scrap recycling services including roll-off service from our location, scrap pick-up, demolition, plant clean-up, and offsite loading.
