New Annual Membership Drive

Greetings!

We hope you and your families had a wonderful summer! Although the 2025 season started off with a lot of rain, things have dried out and it's been a wonderful season thus far! Todd Davis and our Grounds Crew are to be commended for their incredible efforts all season long. Playing our beautiful and unique course in great conditions – can't be beat! Fresh air, sunshine and Birdies are all part of the positive experience we strive to offer at Beaver River Golf Club.

All of our Golfers are very important to us and our business. We do not take your choice to play here at Beaver River Golf Club, for granted! Your past and future involvement is very much appreciated.

Please continue to treat the course, property and staff with respect and kindness. We ask that when reserving starting times, please give us an accurate number of players in your group. Understandably, it is essential to us to be able to fill any and all available tee slots. If you are unable to make your tee time, please call the pro shop with as much advance notice as possible, in order to allow us the opportunity to fill slot.

Attached is the information regarding membership for the 2026 Season.

Pay in **FULL by/before **OCTOBER 10, 2025**, to play through the rest of 2025.*

We'll be here at the Pro Shop through the fall and beyond (weather permitting), should you have any questions.

As always, it's been our pleasure working with you and we look forward to many more great years together!

Please continue to be healthy and safe as we look forward to a fantastic 2026!
