

# BEAVER RIVER GOLF CLUB

## Tuesday Night Golf League

- Format:** The format for this league will be individual stroke play. All players will receive a score for gross and net. The four players with the cumulative lowest gross scores will have a 1 day playoff at the end of the league to determine the gross winner. The same format will be followed for the net division. The league will use 80% of the USGA handicap system to determine handicaps for nine holes. Players will play from their designated tees.
- When:** The league will begin on June 19<sup>th</sup> ending on August 13<sup>th</sup> 2019. The seven best scores out of 9 possible scores will count towards league standings. Any players who do not have the required seven scores at the end of the league will receive a score of his/her handicap plus two strokes. For example, a 9 handicap for nine holes would receive a score of 47 on the front side. (36 par +9 handicap+2 additional strokes =47)
- Tee times:** There will be no tee times. The league will reserve the tee box from 3:30pm to 4:30pm. Players can make their own foursomes. A player must have at least one other league player on the course with him/her in order for the round to count.
- Contest:** Each week there will be different contests other than the standard closest to the pin. Examples of such will be most fairways hit in regulation, most greens hit in regulations, fewest putts in a round.
- Prizes:** Prizes for the top 4 finishers in each Division as well as all playoff winners.
- League fees:** \$110 for the league fees. \$10.00 per not optional for those who want to enter contests. Greens fees and cart fees are separate.
