

*“To live your BEST life is to know your possibilities, realize your capabilities, and utilize your resources to achieve success.”*

## The DBHS Difference

**Clinical Excellence** – We strive to provide services that achieve evidence-based therapeutic outcomes, while being individualized for each person.

**Core Values** – Our core values include Service, Teamwork, Trust, Attitude, Respect, and Standards (S.T.T.A.R.S.). This achieves a successful & effective outcome.

**Professionalism** – Our expert clinicians and staff are uniquely skilled to manage complex cases via various techniques and treatment plans. All services are provided by qualified licensed and medical professionals. Plus, we will work closely w/other state health care providers.

**Community Engagement** – We strive to engage & give back to the community.

## What DBHS Provides

Dimensional Behavioral Health Services, Inc. (DBHS) is a non-profit community based organization. Our mission and specific objective is providing services in the following areas: Community Psychiatric Support & Treatment (CPST), Psychosocial Rehabilitation (PSR), Individual and Group Psychotherapy, Cognitive Behavior Interventions, Behavioral Therapy, and Coordinated System of Care (CSoC) service.

Our services include, but are not limited to, the following:

- Provide a peer-to-peer environment of services for adults, youth, and at-risk youth with solid support and recovery.
- Improve your daily living success by overcoming fears, stress, addictions, and abuse through *Resilience* training and support.
- Support, advocate, mentor and meet the needs of other peers by providing *Wellness & Awareness Training*.
- Establish or identify “peer support” groups through face-to-face contact that address issues of addiction dependency, physical, mental and sexual abuse, teenage pregnancy as well as “peer-to-peer” support for all.
- Provide a higher quality of services that ensures prompt assessment, personalized interventions, and peer support to empower successful functioning in your “normal” habitat.

## Our Facility

Our facility provides a comfortable environment for all clients to meet with licensed staff and receive top-notch service.

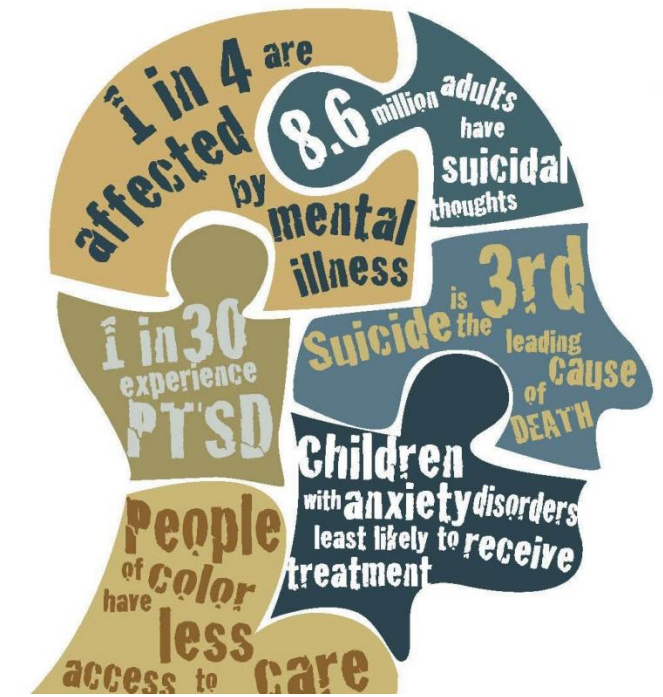

One in five children between the ages of 13-18 live with a mental health condition
