

6-Month Financial Freedom Coaching Package

"Streamline,
Optimize, and
Achieve Financial
Independence"

Investment: \$1,500

Embark on an exclusive 6-month journey crafted to empower you in seizing absolute command of your financial destiny, refining your investments, and realizing your long-term aspirations. Over these six transformative months, personalized coaching sessions will illuminate your path to financial liberation.

Here's what
awaits you:

Month 1: Foundation & Streamlining – Weekly Sessions

4 Weekly Coaching Sessions

- (1 hour each)
- Delve deep into your current financial landscape
- Organize and consolidate existing retirement accounts (401(k), IRA, Roth)
- Establish clear goals and forge an actionable plan to navigate toward financial freedom
- Create budgeting and investment frameworks that resonate with your unique aspirations
- Uncover opportunities to enhance your investment strategy for enduring growth

Objective:

Streamline your financial existence and orchestrate everything for optimal performance.

Month 2: Optimization Strategy – Twice a Month Sessions

2 Coaching Sessions

- (1 hour each)
- Concentrate on optimizing your investments through the wisdom of Warren Buffett, John Bogle, Charlie Munger, and Benjamin Graham
- Review and recalibrate your retirement strategy in harmony with your goals
- Introduce tactical investment strategies like value investing, low-cost index funds, and risk management
- Refine your portfolio for enhanced long-term growth

Objective:

Witness improvements in your financial decisions and elevate your portfolio for greater returns.

Month 3: Advanced Techniques & Progress Check – Twice a Month Sessions

2 Coaching Sessions

- (1 hour each)
- Review the progress of your financial journey and make adjustments as needed
- Explore advanced investment strategies and their implementation
- Identify roadblocks and refine your approach
- Continue to cultivate your confidence and expertise in managing your wealth

Objective:

Fine-tune strategies, ensuring you draw closer to your financial freedom aspirations.

Month 4: Growth & Refinement – Twice a Month Sessions

2 Coaching Sessions

- (1 hour each)
- Focus on maximizing savings and diversifying income streams
- Discuss ongoing investment strategies to amplify returns
- Address inquiries and refine your financial approach
- Discover passive income strategies and other avenues for wealth creation

Objective:

Continuously refine your investment tactics for sustained growth and confidence in your financial stewardship.

Month 5: Consolidation & Refinement

– Once a Month Session

1 Coaching Session

- (1 hour)
- Synthesize your learnings and hone any final strategies
- Tackle any lingering financial challenges directly
- Review your progress and ensure your plan aligns with your long-term financial vision
- Forge a strategy for independently managing future investments

Objective:

Cement the foundation for financial independence and polish your approach before progressing.

Month 6: Final Review & Long-Term Strategy – Once a Month Session

1 Coaching Session

- (1 hour)
- Reflect on your overall progress over the past six months
- Implement final adjustments to keep you aligned with your long-term financial goals
- Discuss next steps for sustaining growth and independence
- Establish a future roadmap for ongoing financial success without the need for continuous coaching

Objective:

Equip yourself fully to navigate your financial future with independence and triumph.
