

REDISCOVER COLORADO'S MAJESTY. WE PLAN. YOU EXPLORE.

With small group tours, we provide an intimate experience for the 55+ community. We pledge to make it easy, safe, and affordable to adventure outside.

www.pathwaytonature.earth

Adventures designed for mature explorers who prefer a slightly slower pace and favor interaction over a tour “must-see” checklist.

All tours include:

- safe transportation
- scenic views
- lunch at a local business
- short hike or excursion

There's a whole world out there, right outside your window. You'd be a fool to miss it.

TOURS

small group

If you want the adventure without the headache of planning, join our 55+ small group tours as an individual or with a friend. You don't need to belong to one of our community partners to join the fun.

community partners

If you belong to one of our community partners, you can book a 55+ half-day tour through them. This is a great option for those with a community-based social group, or those wanting to meet more like-minded individuals.

private groups

If you're looking for a group activity for friends and family, our private tours are for all ages. You can choose from a set tour or we'll help you create your own. Destination, food, attractions, and stops are up to you.
