Making S&A Foods a part of your business creates an environment of control for the business owner. S&A Foods is your direct contact to a vast array of vendors and menu ideas.

Being a family business and operating for more than 16 years has given us a great advantage over the bigger companies. Price, being the largest concern is only the beginning, we bring together the largest of the manufacturers directly to you.

Father and Son,
Sam and Anthony Mrakas

S&A Values and Principles:

- We are committed and dedicated to the needs of our customers, providing optimal service and superior value.
- We believe in a strong relationship between restaurateur and food service company, providing quality food experiences.
- We approach all of our business relationships with honesty and sincerity.

Together with our customers, we build more than a business relationship; we have formed many friendships that go far beyond business hours. Most importantly, we are a small family company that devotes itself to quality and service.

S&A's private label,
"Uncle Sammy"

S&A Foods is more than a food supply as you have seen already.

Anthony Mrakas has an extensive history within the business and in Marketing as a whole.

As such, S&A offers a Marketing Program.
