

Watching the Grass Grow :30

VO:

The Modern Man knows that the key to a happy home...

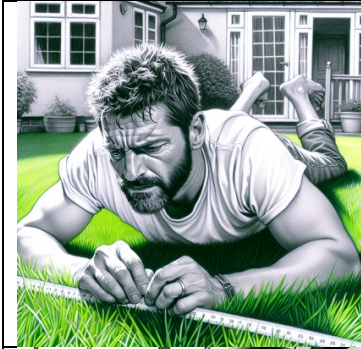

...is the equal distribution of household responsibilities.

He pulls his weight...

...and always puts his family's needs ahead of his own.

Yes, the Modern Man is a homebody, content to just sit around...

...watching the grass grow.

(Hard rock music plays)

Husqvarna...Make 'em think you're working.
