Lisa McClain
Lisa McClain for Congress
PO Box 380890
Clinton Township, MI 48038

Dear Ms. McClain:

National Right to Life is pleased to endorse you for election to the U.S. House of Representatives, to represent the 10th Congressional District of Michigan.

You are a strong advocate for life. You support pro-life legislation, including the *Pain-Capable Unborn Child Protection Act*, which would protect unborn children who can feel pain by prohibiting abortion at 20 weeks, a point by which the unborn child is capable of experiencing great pain when being killed by dismemberment or other late abortion methods.

You oppose the use of federal funds for abortion, and you oppose taxpayer funding of abortion providers.

In contrast, your opponent, Kimberly Bizon, supports a policy of abortion on demand which allows abortion for any reason.

This endorsement reflects your commitment to strengthening a culture of life throughout the nation and in the U.S. Congress. We look forward to working with you to protect the most vulnerable members of the human family – unborn children and medically dependent or persons with disabilities, whose lives are threatened by abortion or euthanasia.

All Michigan voters in the 10th Congressional District who are concerned with the right to life and with the protection of the most vulnerable members of the human family should vote to send you to Congress, so that you can work to advance vital pro-life public policies.

Sincerely,

Carol Tobias
President
