

## Registration Form 2026

*At OVCA Camp, our mission is to invest in students and families in order to encourage and equip them to grow in their faith in Christ, share that faith with others, and train up the next generation of Christian workers. We believe that the Bible is the inspired Word of God and that it has been given to us to make us "wise for salvation" (2 Tim 3:15), therefore we rely on it to learn how to live lives that are pleasing to God.*

**Instructions and Explanations for Registration**

Pre-registration is of much value to the Dean's planning and preparation for that week of camp. You are encouraged to send your registration in early. *\*Families sending more than one child may deduct \$10.00 for the second or third child attending a full week camp. If you register by camp kickoff your camper will receive a FREE OVCA Camp t-shirt with the camp theme. T-shirts may be purchased after early registration for \$15.* Congregations that pay the entire amount of camp fees for their camp participants need not send a deposit with the registration. If the local congregation is not paying the fee, a \$50.00 deposit should be included with the registration.

**PRE-REGISTRATION:** **\*\*Please do not send cash\*\*** Checks and money orders are acceptable. Cash will be accepted at the camp during that weeks' registration. We also accept PayPal on our website at [ovcacamp.org](http://ovcacamp.org). Your child should be registered as to the grade of school they will be entering in the fall of 2026. For example: A person entering the 8<sup>th</sup> grade in August/September 2026 would register for Junior High week.

**SNACKS & MISSION OFFERINGS:**

Snack Shack is included in the camp fees. No money will be needed for snacks. There will be an offering taken every day for the support of a Mission project selected for the week. You are encouraged to financially support that project. Sending cash with your camper is acceptable for this.

**SOCIAL MEDIA POLICY**

OVCA reserves the right to use your child's image and likeness for social media purposes. This allows us to share with family members the fun and memories we have made at camp throughout the week. If there is a legal or safety reason that you would NOT like us to use your child's image and likeness, please let us know prior to the week of camp.

**TRANSPORTATION POLICY (Please check one of the options below)**

Some weeks of camp plan activities that occur offsite. Typically when this happens OVCA partners with local churches to use their modes of transportation, but at times may also use personal transportation by adults. Please check one of the boxes below to let us know if we have your permission to transport your student away from camp for participation in activities for the week.

**CHOOSE ONE**

OVCA has my permission to transport my student away from camp for activities ( )

OVCA DOES NOT have my permission to transport my student away from camp, I understand that this may result in him / her remaining at camp with adult supervision ( )

Campers needing to leave throughout the week (for doctor's appointments, sports, etc) must have prior permission from parents and should be communicated at registration. Campers checking out early must also communicate that with the dean and be signed out prior to leaving.

### Camp Cell Phone Policy

We understand the need for families to rely on cell phones for crucial communication. With that in mind we allow for cell phones to be used **ONLY** within the following guidelines:

- Cell phones are brought out **ONLY** at times deemed acceptable and not during worship, teaching, or small group times.
- Cell phone usage is **limited** and does not become a distraction for the camper or others. Our goal is to connect with God and one another this week, and that's difficult if we are constantly on our phones
- Camp photos are encouraged and appreciated. Your dean may even encourage photography of certain events, but please be aware that there may be campers whose images should not appear on social media for privacy / safety reasons. For that reason please consult with the dean and staff before posting any pictures of other campers.
- Cell phone usage should not be abusive to other campers. Taking inappropriate / abusive photos, or otherwise using phones to degrade others is considered cyber-bullying and is a reason for immediate dismissal from camp. Before taking a photo or posting about another student ask yourself "does this paint this person, the camp, and myself in a positive light?"
- Communication with family at home can cause homesickness and should be limited (especially for younger campers). Before parents decide to pick a camper up early, a conversation should be had with the camp dean prior to arriving at camp to get the student. Please do not show up to pick up camper without first contacting the dean.
