Learn more about what's up and coming at  
the Ecorse Public Library!

---

Spring has sprung, bringing with it tons of exciting things at the Ecorse Public Library (EPL)!

New programming will let you get in touch with nature, connect with other people, and learn new things. We've added to our graphic novel collection as well, so you can pick up your next great read.

April 19-25 is National Library Week. It is a time for the Library to celebrate our wonderful library staff and the community that we serve. We would not be here without this city and we are dedicated to continuing to serve the people of Ecorse. We hope to see you in the library soon! Whether you want to explore the collection, study or work, read to your kids, or just be in the library, we are here for you.
