## About Us

With over 45 years of baking experience, it was just a matter of time that my passion for baking bread, pizza and cooking good food would grow into multiple directions servicing the needs of artisan bakers, chefs and Industrial bakeries alike.

In 2014 we created a workshop for bakers, pizzaioli's and chefs to come to share their recipes and passion, or meet just to have fun.

Now we provide consulting services and support to various business sizes including product applications, product development and training support. Designing & building solid, highly efficient Wood Fired Ovens and offer a variety of Cast Iron Oven Doors to adventurous backyard chefs who want to build their own pizza or bread oven.
