A STRESS RELIEVER

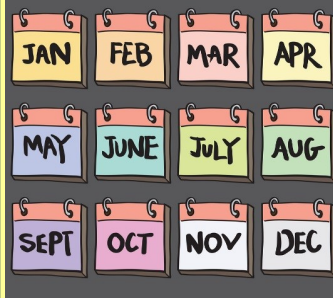

An old man woke up to his 95^{2nd} birthday.

He said to his toes, "Hello toes, You are 92 years old today. Oh, the times we had! Remember when we walked in the summer every afternoon and the times we waltzed on the dance floor? Happy Birthday toes!"

"Hello knees," he said, "You are 92 years old today. Oh, the times we had! Remember when we marched in the parade, and the hurdles we jumped together? Happy Birthday, knees!"

Then he looked down at his crotch. "Hello Willy, you little rascal. Just think, if you were alive, you would be 92 years old!"

REBELS PRESIDENTS GARAGE

We have a very busy month coming up. The car show is fast approaching, so please be on the look out about messaging related to the car show. If you have not already volunteered to help with something, please think about taking this opportunity to find a way to help.

The weekend of our car show is a busy one in Lincoln. Saturday is cars and coffee at Speedway and then the Midwest Rollers car show. Exotic customs also have their event that weekend which is a cruise Friday and show on Saturday evening. Then we have our show on Sunday.

Summer is in full swing and so are the car shows. Let me know if anyone wants to go to a show, I am always up to go to a show or cruise, but it is better when you know some of the people.

REBELS VIDEO OF THE MONTH...

You are not going to believe this!

Prepare to be amazed as you watch The 'Swish Machine,' a 70 step basketball trick shot that took a month to build. The Rube Goldberg machine wraps around an entire yard and the video was filmed in one take with a GoPro MAX!

One can only imagine the hours of work and many trials and errors that went into making this amazing trick-shot.

He survived along with his brother who also landed on the Normandy beaches on D-Day. This talk was given at the 30th National Memorial Day Concert in Washington D.C. in 2019. REBELS COORDINATOR REPORT

We would like to say thank you for all that helped with the **SCCA Spring Nationals** over the Memorial Weekend. Without your help this event would not have been possible and successful. With that being said, please mark your calendars for Labor Day weekend is the **SCCA Summer Nationals** and we are going to need a lot of volunteers for the gate and for the Test & Tune track. We really need people to step up and help please. This fund we get from this event helps our club to donate to charities around Lincoln at the end of the year. If we do not get enough volunteers, we will have no choice but to start asking people outside of our club and that will mean we will not receive a lot of the funds. The charities we choose each year depend on our contributions and we really do not want to disappoint them. So please consider volunteering. Even if you can only do a few hours that would be amazing.

Thank you to all that brought their cars out to the Cornhole for Cancer Benefit. We truly appreciate you bringing your cars and showing them off to everyone. We had a great time with food and drinks.

REBELS 'MYSTERIES OF LIFE'

From the

Why is it that the amount of sleep required by the average person is about five minutes more?

If a dog barks his head off in the forest and no human hears him, is he still a bad dog?

No matter how much money you make, you always need an extra \$40 a week, so was it Einstein who first said, "Expense equals salary plus forty bucks"?

If you buy a microwave fireplace, could you spend a whole evening in front of it in only eight minutes?

Is it true that all K-Mart and Wal-Mart stores in Iraq were closed and reopened as Targets?

Is a Local Area Network in Australia called the LAN down under?

If you are allergic to alcohol and narcotics do you break out in handcuffs?

If it's not an optical illusion, does it just look like one?

If you aren't careful about reading health books could you die of a misprint?

Is death God's way of telling you not to be such a wise guy?

Why in America do we have a General in charge of the Post Office, and a Secretary in charge of Defense?

Could it be that a word to the wise is not necessary because it's the stupid ones that need all the advice?

Is "Horse Sense" the thing that a horse has that keeps it from betting on people?

Is the world going crazy when the best rapper is white, the best golfer is black, The Swiss hold the America's Cup, France is accusing the US of arrogance and Germany doesn't want to go to war?

If some of the extreme fundamentalist Muslim countries require all Muslim girls over the age of 18 to shave all their pubic hair as a sign of defiance to the West, would national news reporters say that the anti-Trump campaign has gone too far?

Does "lackadaisical" have something to do with a shortage of flowers?

Are crop circles just a very large ad campaign for Target?

"New and Improved?" If it's "New," how could it be improved and if it's "Improved," how could it be "New"?

ETHICAL QUESTION: If you pushed your naked clone off the top of a tall building, would it be: Murder? Suicide? Or making an obscene clone fall?

If you don't have enough money buy sugar can you just ask your neighbor to borrow a cup of money?

If you go to a store to buy some camouflage trousers, how would you know if you saw them?

Is it bad luck to be superstitious?

Is the ratio of an igloo's circumference to its diameter called Eskimo Pi?

Are 2000 pounds of Chinese soup called Won ton?

Is 1 millionth of a mouthwash equal to 1 microscope?

Is the time it takes to sail 220 yards at 1 nautical mile per hour known as a Knot-furlong?

Are 365.25 days of drinking low-calorie beer because it's less filling known as 1 lite year?

Is half of a large intestine equal to 1 semicolon?

Are 1000 aches 1 megahurtz?

Is a basic unit of laryngitis equal to hoarsepower?

Is 1 kilogram of falling figs equal to 1 Fig Newton?

Are 2.4 statute miles of intravenous surgical tubing at Yale University Hospital known as 1 I.V. League?

Do they call two Mexicans playing basketball, Juan on Juan?

Is the difference between a Harley and a Hoover the position of the dirt bag?

If the Pillsbury Dough Boy bends over, do you see Doughnuts?

Is Chelsea Clinton so homely because Janet Reno is her real father?

Is the difference between a porcupine and BMW, that the porcupine has the pricks on the outside?

Bet you thought I would run out of these, didn't you? (everyone handles doing Newsletters differently...)

So, will there be more of these next month? The answer is "Yes." (but sadly, they don't get any better!)
