PRESIDENT'S GARAGE

Hello My Rebels Family,

We had a great turn out, at the General Meeting on March 27th at the Pizza Ranch. It was great to see everyone there.

Spring is really trying hard to make an appearance, but Winter is still holding on with a vengeance. But it's going to get here soon, and I promise nobody will have to wear Parkas, Gloves, or Snow Boots at our Car Show.

Speaking of our Car Show. we had a good turn out at the Car Show Meeting at the Eatery Sunday March 24th. There were a lot of ideas that were talked about and implemented for this year's show. We always need more ideas to make our show even better.

I announced it at the General Meeting, but for those that missed it, my friend **Cheri Lynn Westrich** from the TV Show Overhauled has agreed to be our Celebrity Guest for the show. I'm so excited that she's going to be a part of our show this year. She'll be on hand to sign autographs and take pictures with people at the show.

I'm very excited to see how our club is doing this year, we had a couple new visitors at the meeting, and that's what we need for our club to grow and prosper.

I look forward to seeing everyone at the next meeting, and remember, anyone can come to the board meetings as well.

VICE PRESIDENT REPORT

Hello **REBELS**,

Here is a quick recap of what is coming up for April (and beyond):

- **GENERAL MEETING:** Wednesday, April 24, 7:30 PM at HY-VEE
- **LADIES NIGHT:** Wednesday, April 17, 6:00 PM at Florio's
- **EXECUTIVE MEETING:** Tuesday, Tuesday, April 9, 7:00 PM at Trackside Bar in Waverly
- **CAR SHOW MEETING:** Sunday, April 28, 2:30 PM at the Eatery

Other major events involving the **REBELS**:

- **SCCA Spring Nationals** May, 25 to 27 (Memorial Day Weekend). *We Need Volunteers!*
- **FSAE Formula SCCA (College Kids)** This Event will be at Air Park June 19 to 22. Volunteers are always needed. The Nebraska Team is working on a brand new car, and they hope to run the wheels off cars from other states that get expensive grants. Volunteers mark your calendars.
- **SCCA Solo Championships** are September 2 to 6. The BIG ONE! We need all the volunteers we can get! Plan now ... DON'T let this important event drift away to another club!
- **REBELS Car Show** on June 30th.

I would like to extend a BIG Thank YOU to the club for donating \$400 to Husker Motor Sports. This will help the young Nebraska Team in building their car for the FSAE.

REBELS Member **Tom Kermmoade** has new knee after swap meet. Tom is doing fine (but probably not looking forward to rehab, which is normally much worse than the surgery)!

I attended the **Cornhusker Classic Tractor Pull** on March 22-24 at Pinnacle Event Center. It was awesome. Over 30 million dollars worth of equipment from all over country!

NEW REBELS WEBSITE!

As most of you know by now, the REBELS Website has been in dire need of an upgrade. Many Members have complained that it is hard to navigate, full of useless stuff and *nobody* can remember the password.

Well, All That is About to Change!

Your "information Coordinator" (that's me, Gary Willey) has been creating a brand new website (instead of wasting my time scooping sunshine in Arizona - Ha Ha).

The new site should be complete and on line sometime in April. I'm waiting on a couple of things and have been slowed down by a slow and sporadic internet service at the RV Park where we stay in AZ. I'll send a REBELS Alert to let you know when it is ready. The new site will look a lot more professional, and I promise it will be easier to navigate. The website will have a link to the Newsletter, so you can always have a Calendar handy. Also, there will be plenty of room for pictures, if you want to show off your ride on the World Wide Web! More about that at the April General Meeting...

REBELS MYSTERIES OF LIFE

Why do they sterilize the needles for lethal injections?
If a man speaks in a forest and his wife is not there, is he still wrong?
What does Santa do at a house with no chimney?
Why are Chinese fortune cookies written in English?
Why do they tell us to watch "The Today Show" tomorrow?
Why do we read left to right, yet turn pages right to left?
Why does it matter if we all put our pants on one leg at a time?
Is there an exception to every rule, except this one?

What do you plant to grow a seedless watermelon?

If you tied buttered toast to a cat's back and dropped it from a height, what would happen?

What happens if you get scared half to death twice?

How do you tell when you run out of invisible ink?

If I got smart with you, how would you know?

Why do psychics have to ask you for your name?

If a bus station is where a bus stops, and a train station is where a train stops, what happens if you have a work station on your desk?

If quitters never win and winners never quit, why should you quit while you are ahead?

Why is it that when you tell a person there are a billion stars they will believe you but if you tell them a bench has wet paint they have to touch it?

Why is it that two wrongs don't make a right, but three rights make a left?

Why do you press harder on the remote control when the batteries are dead?

If you have the feeling that you have heard this bull before, is it Deja Moo?

Should we always borrow money from pessimists because they don't expect to get it back?

Why did God give men nipples?

Is grass really greener on the other side?

How do they unclog the mail chutes in skyscrapers?

Does your chewing gum lose its flavor on the bed post overnight?

Where did tornadoes hit before there were trailer parks?

What is the purpose of the little ball on top of the flag pole?

Will there be more of these next month? (answer, "Yes, I got a million of them ... *but sadly, they don't get any better!*")

REBELS "SAVE THOSE TABS"

Be sure and save your "Pop Top Tabs" for the Ronald McDonald House to give as a donation from the REBELS Auto Club.

Help support the **Ronald McDonald House** of Lincoln by collecting those little tabs you pull to open soda, soup or other aluminum cans.

LET'S FACE IT. YOU ARE GOING TO DRINK POP AND/OR ADULT BEVERGES ANYWAY ... WHY NOT SAVE THOSE PULL TABS FOR SUCH A GOOD CAUSE?

Bring your Pop Tops to the next meeting, and give to Margaret or Lydell Otley.

REBELS FUN

CAN YOU NAME CAR PARTS BY LOOKING AT JUST ONE IMAGE?

Ok, so you're no slouch when it comes to cars. You know what makes them tick. Or wait -- do you, really? This quiz has 48 essential car parts (and maybe a few extras) that most cars need to operate or at least perform reasonably well.

Do you think you can identify an AC compressor from a blower motor at a glance? You may know what an axle shaft is and what it does, but can you readily identify one? Do you know the difference between brake rotors and calipers? The door lock actuator, which is used every time you enter and drive your car, is also considered one of the best safety features every new vehicle should have. But have you ever seen one before? Unless you've ever worked on a car, we're guessing you haven't.

These are the parts that help your car run and keep you safe. How many do you think you can figure out from an image? Buckle up; this quiz is going to take you on a ride! Set aside some time (maybe 15-20 minutes) and have fun!
