Executive Board Meetings are held the second Tuesday of each Month. Members are welcome.

PRESIDENTS GARAGE

Hello My **REBELS** Family,

What a beautiful night it was at Pioneer's Park for our meeting, even though the turn out was a little less than normal. Our Car Show is just a few weeks away, and there's still a lot left to do. We had a short car show meeting *after* the general meeting to work out the last few details, but some left and didn't stay for the entire meeting. We need to get as many members as possible involved, so all the work doesn't fall on the shoulders of just a few people.

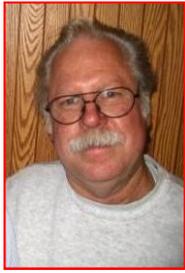

There is another thing that I want to cover. At the board meeting it was voted on to have the Member's section open on the website. This was done because Members were having trouble with the password, and weren't able to sign in to the Member's Only Section. Some of the Members have expressed concern about having their address, email and phone number appear on our website. We understand that, and will honor, and respect your privacy. If you don't want your information on the website, please contact Gary Willey directly or any of the officers at the contact information above, and we'll get that done for you.

I look forward to seeing everyone at the next General Meeting at Pioneer's Park where we will be stuffing the Goody Bags, so we need all the help we can get.

Steve Lewis, President
REBELS Auto Club

PS: Remember, my friend **Cherielynn (Cheri) Westrich** from the TV Show 'Overhaulin' has agreed to be our Celebrity Guest for the Car Show. She'll be on hand to sign autographs and take pictures with people at the Car Show. She will also be at Speedway's 'Cars and Coffee' in June at the **REBELS** Tent signing autographs! Tell your Friends and Neighbors! Everyone on Lincoln that likes cars should come to our show!

VICE PRESIDENT REPORT

Hello **REBELS**,

Here is a quick recap of what is coming up for June (and beyond):

- **GENERAL MEETING:** Wednesday, June 26 at Pioneer Park (Pot Luck)
- **LADIES NIGHT:** Wednesday, June 19 at YaiYai's Pizza, 70th & Van Dorn
- **EXECUTIVE MEETING:** Tuesday, June 11 at Davinci's, 11th & G

Major Events Involving the REBELS:

- **FSAE Formula SCCA (UNL College Kids)** This Event will be at Air Park June 18 to 22. Volunteers are always needed. The Nebraska Team is working on a brand new car, so they can compete with cars from other states that get expensive grants. The REBELS are providing a donation to help with the UNL car. Breakfast, lunch and a tee shirt are also provided at the event. Volunteers - mark your calendars, and call Gary Weyers now.
- **SCCA National Solo Championships** are September 2 to 6. **The BIG ONE!** We need all the volunteers we can get! Plan now ... DON'T let this important event drift away to some other club!
- **REBELS Car Show on June 30th.** We still need help with getting sponsors for the back of the Tee Shirts. Call me, **Jim McNeil**, with for more information on how to do this. My cell is **(402) 890-0294**.
- **And Finally, Sharon Shotsman** still needs Volunteers for the Car Show! Call her at **(402) 309-3459** to help.

I will be at the Goodguys show in Des Moines on July 5th with my son Shawn's car. We are entering both the show under the 'Street Rod' category, and also plan to race it in the 'Heartland Nationals' (kind of the Goodguys version of the Cones races). It will be good practice for this fall. Wish us Luck!

SECRETARY REPORT (REBELS MEETING MINUTES)

May 28th 2019, General Meeting Minutes at Pioneer Park

There were 30 members attending. Meeting was called to order at 7:30 pm by President Steve Lewis.

Vice President Jim McNeil gave his report. Jim said he had not booked a location for the June executive meeting. The meeting will be June 11th and the location will be announced via email. Jim said the June General Meeting will be June 26th at Pioneers Park. It will be a pot luck. A motion was made, seconded and approved to accept The Vice President's report.

Secretary Margaret Otley gave her report. She asked if everyone had received their newsletter. There were no additions or corrections to the minutes. She said Ladies Night will be June 19th at YiaYai's Pizza, 70th and Van Dorn at 6pm. A motion was made, seconded and approved to accept the April minutes and the Secretary's report.

Treasurer Steve Anderson gave his report. Steve said income for the month was from car show income, club memberships and newsletter advertising. Expenses for the month included office supplies, taxes and web hosting. A motion was made, seconded and approved to accept the Treasurer's report.

Coordinator Gary Weyers gave his report. Gary said the show and shine at Freddy's had been changed to June 21st. Gary will have an alert sent with the details. Each entry will receive a free custard. Gary has requests from several nursing homes for cars. Signup sheets are being passed around or see Gary to sign up. The Rebels have been invited to a band performance at Antelope Park on July 21st at 7pm. See Gary to sign up. July 19-20th Restore A Muscle Car is having a car auction at the Lancaster Event Center. They are asking for volunteers. A motion was made, seconded and approved to accept the Coordinator's Report.

Old Business: Jim McNeil said Cars and Coffee was very successful.

New Business: Jim McNeil said \$375 is needed to house our celebrity guest for the Rebel's show. He tried to get the JC's to pay for the hotel and is now working with Speedway to see if the Speedway apartment would be available to be used. Several members asked why the members only section of the website was now not password protected. The board had voted to eliminate the password which has been an ongoing issue in the past for members. Also, any member who would like to give feedback was asked to address the board either at a meeting or via email.

The meeting was adjourned at 8:40 pm.

Respectfully Submitted,
Margaret Otley, Secretary
REBELS Auto Club

REBELS JOKE OF THE MONTH

Three friends married women from different parts of the country.

The first man married a woman from Texas. He told her she was to do the dishes and house cleaning. It took a couple of days, but on the third day he came home to see a clean house and the dishes washed and put away.

The second man married a woman from Tennessee. He gave her orders that she was to do all the cleaning, dishes and cooking. The first day he didn't see any results, but the next day it was better. By the third day, he said the house was clean, the dishes were done and there was a huge dinner on the table.

The third man (a **REBELS** Auto Club Member) married a girl from Nebraska. He ordered her to keep the house cleaned, dishes washed, lawn mowed, laundry washed, and hot meals on the table for every meal. He said that on the first day he didn't see anything, the second day he didn't see anything, but by the third day some of the swelling had gone down and he could see a little bit out of his left eye, and his arm had healed enough that he could fix himself a sandwich and load the dishwasher.

He does still have some difficulty when he pees...

CRAZY OLD CAR ADS

Can you just Imagine if these ads ran today? The 'Mainstream Media' would be up in arms, especially over the last one!

SPRAY DOT 3 INSECTICIDE ON WHEELS

RINSE WITH HOSE

Wheels can be thrown out of balance by a buildup of wheel ants. Protect your car's smooth ride with weekly applications of automotive grade insecticide.

USE CAR'S EXHAUST TO CLEAN CUSHIONS

Using the exhaust gas of the automobile to clean the upholstery is the accomplishment of a recently invented device. An aluminum attachment is fastened to the exhaust pipe and the engine is allowed to idle. As the exhaust gas passes through this device suction is created at the inlet hole. Collected by a nozzle, the dust and dirt are drawn through the hose and expelled into the air at the rear of the car. It is made in three models, for cars of different size.

With the car's engine idling, gas from the exhaust creates a vacuum that cleans the cushions

HOLE FILLED WITH GRAVEL

Disposing of used engine oil can be a problem. Solution: Dig a hole in the ground with a posthole digger and fill it with fine gravel. Then pour in the oil. It will be absorbed into the ground before your next change. Cover the spot with soil.

WHEN HER RAMBLER NEEDS ITS FIRST CHASSIS LUBRICATION

He's two. The Rambler's brand new, He'll be five, most likely, and riding to kindergarten, when the Rambler Classic needs its first lube job. Meanwhile, it will travel twice as far between engine oil changes as any previous model.

In high school, if he drives this Rambler, it will still have the same Ceramic-Armored muffler and tailpipe. (Should either rust out, collision damage exempted, free replacement for the original owner will be made by a Rambler dealer. That's guaranteed.)

Sound like the car of a lifetime? It is. The starter and generator are lubricated for life. Rambler Single-Unit construction, with its hundreds of extra welds, stays remarkably free from squeaks and rattles.

And Deep-Dip roof-rerouting, right up to the roof, makes Rambler the world's most roof-rigged car.

Someday there may be a completely service free car that lasts forever. Today Rambler comes closest. Come get the full story from your Rambler dealer.
