## PRESIDENTS GARAGE

Hello **REBELS** Family,

Welcome to this month's President's Garage.

I hope everyone is doing well in coping with all the restrictions that we are having to deal with,

The Corona Virus Pandemic has changed so much the way that we have to do things, due to the restrictions that we are under.

Even though we have had to cancel meetings, rest assured that the **REBELS** Auto club is still going strong and that we will all come out of this in time.

In the meantime, please take care of yourselves and your loved ones. We will resume our meetings and activities as soon as possible.

**THANK YOU** all for sticking with us, because all of you (our Members) are what make us strong.

We'll see y'all on the other side of this.

**Steve Lewis, President  
REBELS Auto Club**

## VICE PRESIDENT REPORT

Here is a quick recap of what is coming: for April:

I think Lincoln will still be under the same restrictions we are now. No meetings. Even private parties at peoples homes have broken up. At this time no place is open for table service.

There were reservations for an Exec Meeting at Perkins and 27th and a General Meeting at Bailey's. However, the Governor's orders have pretty much shut everything until at least the end of April.

This is all probably for the best, as many of us **REBELS** are in a high risk group!

**Jack Takemoto, Vice President  
REBELS Auto Club**

## SECRETARY REPORT (REBELS MEETING MINUTES)SN.

I have no Report this Month because there was no General Meeting!

**Margaret Otley, Secretary  
REBELS Auto Club**

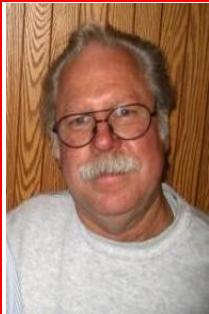

## TREASURERS REPORT

No Report this Month because there was no meeting!

As always, detailed financial information is only given out to Members at regular General Meetings.

**Steve Anderson, Treasurer  
REBELS Auto Club**

## COORDINATOR REPORT

Thanks to everyone that took their cars to the Omaha Show. We had a great time. We had 6 cars including Lane Nelson, Bill Masters, Chris Harrison, Shawn McNeil, Paul Jurgensen & Nick Engie (of the UNL Quarter Tractor Team).

I have had lots of calls and FYI: So far our Car Show is still scheduled for June 28.

I am working with Mark Walker on putting together a 'Virtual General Meeting' online, since we have no place to meet right now.

And, I have a case of books. Stay Safe!

**Jim McNeil, Event Coordinator  
REBELS Auto Club**

We received a letter from Dalton Engelbart of Husker Motorsports, UNL Formula SAE (FSAE). This is the UNL kids race car that the REBELS Auto Club contributed to last year. Double Click on the .PDF File below...

## REBELS CAR SHOW MEETING(S)

Hi! Mary Jane Kermmoade here...  
Not much going on with the Corona Virus shutdown. We will let you know though REBELS Alerts and Newsletters, when the next REBELS Car Show Meeting will be held.  
Right now, of course, all restaurants are closed and even private meetings are limited to 10 people.

At this time, the REBELS Car Show is still scheduled for June 28.

## UNL SCCA CAR

Below is a photo Jim McNeil sent of the new **FSAE Formula SCCA** (UNL College Kids Car).

In case you didn't know, the **FSAE Formula SCCA** was held at Air Park June 18 to 22.

The Nebraska Team was working on a brand new car, so they could compete with cars from other states that get expensive grants.

The **REBELS** provided a donation to help with the UNL car, and the new car did great! [The UNL team went from 54th place last year to 8th this year!](#)

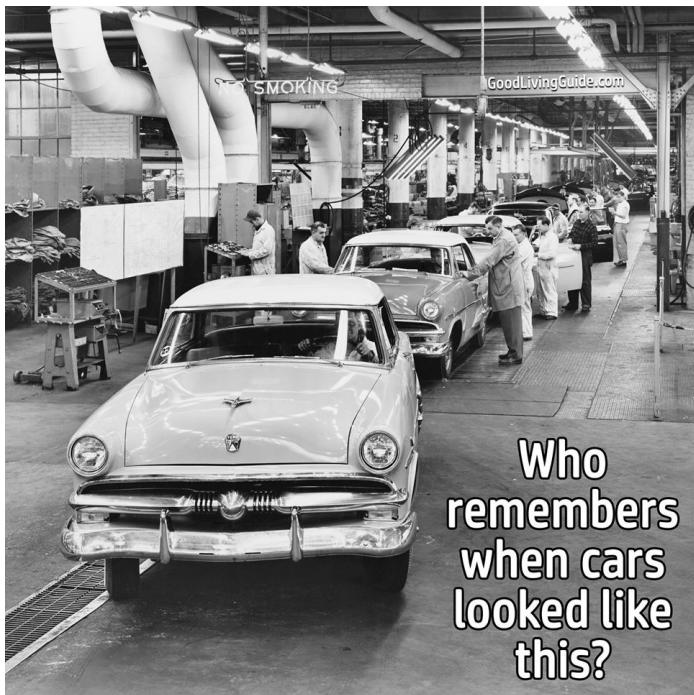

Being in the top 10 in the Nation is a BIG deal for these kids - AND the State of Nebraska!

## REBELS SCHOLARSHIPS

Below is a photo of the Scholarship Recipients taken at the February General Meeting. **REBELS** Prez Steve Lewis is on the far right. And no, Steve did NOT get a scholarship (but then Steve has probably forgotten more about cars than these kids will ever know!) and it looks like only a couple of them can even grow beards. Go Steve!

## REBELS 'MEMORIES'

Who  
remembers  
when cars  
looked like  
this?

DOES THIS BRING BACK  
MEMORIES FOR ANYONE?

Pull for the  
House.

Many Hearts. One Home.

## REBELS "SAVE THOSE TABS"

Be sure and save your "Pop Top Tabs" for the Ronald McDonald House to give as a donation from the REBELS Auto Club.

Help support the **Ronald McDonald House** of Lincoln by collecting those little tabs you pull to open soda, soup or other aluminum cans.

**IF YOU ARE GOING TO DRINK POP AND/OR ADULT BEVERGES ANYWAY ... WHY NOT SAVE THOSE PULL TABS FOR A GOOD CAUSE?**

Bring your Pop Tops to the next meeting, and give to  
**Margaret or Lydell Otley.**

## REBELS JOKE OF THE MONTH

A dad comes home from work one day and finds this note from his son on the counter:

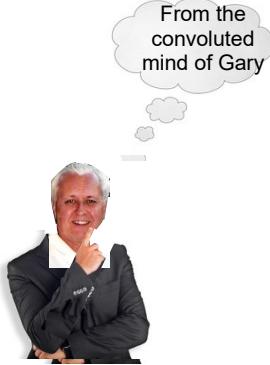

Dear Dad, It is with great sorrow that I'm writing to you. I have eloped with my new girlfriend. I've been finding real passion with Stacy, and she is so nice. However, I knew you would not approve of her because of her piercings, tattoos, and tight motorcycle clothes. Also, she is so much older than me.

But it's not only the passion, Dad. She's pregnant. Stacy said that we will be very happy. She owns a trailer in the woods and has a stack of firewood for the whole winter. We share a dream of having many more children. Stacy has opened my eyes to the fact that marijuana doesn't really hurt anyone. We'll be growing it for ourselves.

Don't worry, Dad. I'm 15, and I know how to take care of myself. Someday, I'm sure we'll be back to visit, so you can get to know your grandchildren.

Love, Joshua

P.S. Dad, none of the above is true. I'm over at Jason's house. I just wanted to remind you that there are worse things in life than the school report that's on the kitchen table. Call when it's safe for me to come home!

## REBELS MYSTERIES OF LIFE

Don't women who seek to be equal to men, just lack ambition?

If you play country music backwards, do you quit drinking, get your wife back, get rehired and have your lost dog come home?

At a bookstore the other day, I saw a book entitled "Sex for Dummies". Why would someone want to teach dumb people how to reproduce? Aren't there enough of them with AOL accounts now???

Isn't a nonconformist just someone who just wants to be accepted for being the person he's not?

If you play New Age music backwards, don't you just get New Age music?

What if there were no hypothetical questions?

If you want to be an astronaut do you just go to college and take up space?

If you lived in your car, wouldn't you be home by now?

To be completely politically correct, shouldn't Taco Bell call it a "Spanish-American" pizza?

Ever stop to think and forget to start again?

Should we just say "No" to one word solutions?

When does hindsight begin?

How do I put my hard drive in reverse when I want to back up?

If money is the root of all evil, why do churches want it so badly?

I buy the beer. I drink the beer. I empty the cans. I crush the cans and bag them. My wife takes them to the recycle center and keeps the money for herself. Is this fair?

Do you love animals if you eat them and wear their skins?

Why does the first piece of luggage on the airport carousel never seem to belong to anyone?

Remember when FM radio meant lots of music and hardly any commercials?

What do all the obnoxious, pathetic people who grovel for autographs do with them?

If a photographer could get a shot of Saddam Hussein, why couldn't our military?

What do you say If you meet God and he sneezes?

Wasn't the Bible was written by the same people who said the Earth was flat?

Why do they tear out the trees in the suburbs and then name streets after them?

Is marriage always a bachelor's last option?

How did people describe the sound of a tornado before freight trains were invented?

Why do you get hangnails on your fingers but never on your toes?

Would crime still pay if the government ran it?

Are Nonconformists all alike?

Why is it that the more things change, the more they stay insane?

If the tobacco and gun industries can be held liable for product abuse, why can't parents be held responsible for the actions of their children?

I wonder why I don't remember being absent minded?

Why isn't there a new Jewish American Princess porno film called "Debbie Does Nothing"?

Is the first rule of holes "If you are in one, stop digging"?

If I went to school to become a wit, why did I only get halfway through?

Why is it that you have to have a license to drive, but not one to have kids?

**Bet you thought I would run out of these, didn't you? (everyone handles the Corona Virus Pandemic differently...)**

**So, will there be more of these next month? The answer is "Yes." (but sadly, they don't get any better!)**
