PRESIDENTS GARAGE

Hello **REBELS** Family

I hope all is well with everyone, we all know it's been a struggle to be able to get together for Board and General Meetings. We've had to move them outside or have them online because of COVID-19. It has been really cool to have the parking lot meetings, but mother nature rained out our last one. Nevertheless we will always strive to get together if at all possible.

Our Vice President Jack Takemoto has made his way back to Hawaii, so we're looking for someone to step up and fill in for Jack. It's a very rewarding feeling to be a part of helping the club grow.

Please bear with us while we do our best to keep everything going strong. I look forward to seeing everyone at much as possible.

Steve Lewis, President
REBELS Auto Club

REBELS 'OBSERVATIONS OF THE MONTH'

Some of these are pretty bad, but without meetings, shows etc., we needed some 'filler!'

Did you hear about the blonde who took an hour to cook Minute Rice?

Did you hear about the blonde who got into the taxi, and the driver put the "Vacant" sign up?

Did you hear about the blonde who thought nitrates was cheaper than day rates?

Did you hear about the blonde who went to a nudist camp for a game of strip poker?

Did you hear about the blonde who brought her cosmetics with her for a make-up exam?

Q: Why did the boy put candy under his pillow?

A: Because he wanted sweet dreams.

Q: What's the best parting gift?

A: A comb

Q: What do you call a knight who is afraid to fight?

A: Sir Render.

Q: What do they call a physiotherapist in Egypt?

A: A Cairopractor.

Q: What do bees chew?

A: Bumble gum.

Q: What happened when the owl lost his voice?

A: He didn't give a hoot.

Q: What do you call a story about a broken pencil?

A: Pointless.

So sorry - I will let myself out now...

REBELS 'PICTURES OF THE MONTH'

Got my state taxes back
Waiting on federal now.

IF YOU REMEMBER PUMPING GAS
BEHIND YOUR LICENSE PLATE....
YOU MUST BE REALLY OLD!

Quarantine day 113: My car has 29,833 parts

and now I seem to have misplaced my 10 mm socket

Me: Please bring me a
screwdriver.
Wife: Flat head, Phillips, or
Vodka?

And that was when I knew
she was the one.

REBELS JOKE OF THE MONTH

The **REBELS** Club Member drove his newly completed T Bucket out of the shop. Taking off down I-80, he sped up to 80 mph; enjoying the wind blowing through what little hair he had left.

"This is great," he thought as he flew down I-80, pushing the pedal to the metal even more. Looking in his rear-view mirror, he saw the highway patrol behind him, red lights flashing and siren screaming. "I can get away from him," thought the elderly speedster as he floored it to 100 MPH, then 110, then 120. Suddenly, he thought to himself, "What am I *doing*? I'm too old for this crap!" So, he pulled over to the side of the road and waited for the Trooper to catch up with him.

Pulling in behind him, the Trooper walked up to the driver's side of the car, looked at his watch and said, "Sir, my shift ends in 30 minutes, and this is Friday. If you can give me a good reason why you were speeding that I haven't heard before, I'll let you go."

In true **REBELS** fashion, our Member, looked very seriously at the Trooper, said, "Years ago, my wife ran off with a Nebraska State Trooper, and I thought you were bringing her back."

"Sir, you have a good day," said the Trooper.

REBELS MYSTERIES OF LIFE

From the convoluted mind of Gary

Do those who can't hear the music consider those who dance insane?

Where do all the farts go?

I want to reach your mind. Where is it currently located?

If you wanted make a streaker get religion, would you say "Streaker re-pant! Your end is in sight"?

Wouldn't it be fun if you went to a bowling alley with a little black marble, put it inside that machine that they use to polish the balls and then called the manager over to complain?

What do you do if you see a bumper sticker that reads 'Honk if you love peace and quiet'?

If God had wanted us to go around nude, wouldn't He would have given us bigger hands?

If you saw a sign at a gas station that said 'Help Wanted' and another sign below it that said 'Self Service', could you hire yourself, make yourself the boss, give yourself a raise, pay yourself and then quit?

Isn't the main problem with being bisexual that you get twice as many chances to be rejected, and both sides think you're a pervert?

If you saw a subliminal advertising executive, would it only be for a split second?

Ladies, are these the two the sure ways to spot the perfect sexy man for you?

1. If he has a bad memory
2. If you forget the second way

Since the label reads, 'Alcohol percent by volume', is that why people get louder the more they drink?

If you have six locks on your door all in a row, when you go out, should you lock every other one so no matter how long somebody stands there picking the locks, they are always locking three of them?

If one out of every three Americans is suffering from some form of mental illness, think about two of your best friends and if they are OK, could it be you?

Those TV ads show you how detergents take out bloodstains. If you've got a T-shirt with bloodstains all over it, could it be that laundry isn't your biggest problem?

Some people have deer heads on their walls and they tell you it's because they're such beautiful animals. I think my wife is beautiful too, so why do I only have photographs of *her* on the wall?

If a lady came up to you on the street, pointed at your suede jacket, and said, "Don't you know a cow was murdered for that jacket?", should you say that you were unaware there were any witnesses and kill her too?

If we are able to study at the Jimmy Carter Library, the Gerald Ford Library and the Ronald Reagan Library, can we also visit the Bill Clinton Adult Bookstore?

If they held a contest for 'Sexy Senior Citizens' in a bar and they had a wet shawl contest wouldn't you kind of wonder where Grandma got that dollar bill she gave you for your birthday?

In the 2012 Presidential election, if the Florida ballots were bingo cards instead, would they have got it right?

Could it be that a word to the wise is not necessary because it's the stupid ones who need the advice?

Can handicapped people be found guilty of 'armed robbery' if they don't have arms?

Could Nudity be the best form of birth control after 70?

Is the difference between a girlfriend and a wife, 45 pounds?

Is the difference between a boyfriend and a husband, 45 minutes?

Isn't the fastest way to a man's heart, through his chest with a sharp knife?

Do men prefer to marry virgins because they can't stand criticism?

Is the reason it is so hard for women to find men that are sensitive, caring, and good looking, because those men already have boyfriends?

Does the bride always wear white because it's good for the dishwasher to match the stove and refrigerator?

If you want to know which sexual position produces the ugliest children, should you ask your Mom?

Bet you thought I would run out of these, didn't you? (everyone handles the Corona Virus Pandemic differently...)

So, will there be more of these next month? The answer is "Yes." (but sadly, they don't get any better!)
