PRESIDENTS GARAGE

Hello **REBELS** Family,

Happy New Year to everyone, the new year is starting off well. We had a great turnout at the Holiday Party and The Venue was a great place and very accommodating. It would be a great place to continue to have for our party.

We also had our first car show meeting and there were some very great ideas that were presented. We'll continue to have them every month until the car show.

The General Meeting was great and we had a great turnout. We gave out our Scholarships to the SCCC students.

There's a lot of new things in the works to make the **REBELS** a fun and rewarding club. As always everyone is welcome at the Executive Board meetings, and I look forward to seeing everyone at the next General Meeting.

Steve Lewis, President
REBELS Auto Club

VICE PRESIDENT REPORT

Here is a quick recap of what is coming: for February:

- **GENERAL MEETING:** Wednesday, February 26 at The Garage 48th and Highway 2
- **EXECUTIVE BOARD MEETING:** Tuesday, February 11 at Trackside in Waverly
- **LADIES NIGHT:** Wednesday, February 19 at Cheddar's 5424 O Street

We are discussing the Charitable giving for the **REBELS**. We are discussing the Veteran's program associated with the Over House. Their Website is OverNow.org. Their current need is a chest freezer. Also being discussed is support of the foundation that supports Southeast Nebraska Cancer Center. In addition, we would like to find programs that support cars and youth and plan to talk with Lincoln and the Lincoln schools. Any ideas are welcome. Please contact any of the Board members.

We began the discussion at the meeting to begin doing some car activities that the **REBELS** used to do now that winter looks like it will end. Poker runs, Garage Scenes, Any reason to get the cars out and meet. Bob Moberly has been working on a couple of ideas. Don't be shy, we need to be a club that does more than work and have meetings.

It is getting difficult to find meeting rooms and the meals are becoming pricey. Any ideas, suggestions or help is welcome. As I live about a mile and half beyond Eagle Raceway, I don't eat out. So I don't know much about the restaurants that have meeting space. What do you want to do? I used to belong to a car club that was happy not being a car club. The organizer had a room above his body shop, and on Fridays we would bring beer, he usually served loose meat sandwiches, and then would pick somewhere to cruise.

REBELS CARTOON OF THE MONTH

Here we see a... Chicken Coupe !!

REBELS JOKE OF THE MONTH

Three Arkansas Rednecks, Steve, Bruce and Jed, were working on the Bell South tower.

Steve falls off and is killed instantly. As the ambulance takes the body away, Bruce says, "Someone should go and tell his wife."

Jed says, "OK, I'm pretty good at that sensitive stuff, I'll do it."

An hour later, he comes back carrying a case of Budweiser.

Bruce says, "Where did you get the beer, Jed?"

"Steve's wife gave it to me," Jed replies.

"That's unbelievable, you told the lady her husband was dead and she gave you a case of beer?"

"Well not exactly," Jed says. "When she answered the door, I said to her, 'You must be Steve's widow'."

She said, "No, I'm not a widow."

And I said, "I'll bet you a case of Budweiser you are!"

REBELS MYSTERIES OF LIFE

From the convoluted mind of Gary

Why do they call a bag of chips "Nacho's" if they belong to you?
When crazy people go through the forest, do they take the psycho path?
Do prisoners use cell phones to call each other?
Whenever we think of the past, why does it bring back so many memories?
If you have a burning sensation when you pee, should you call the Fire Department?
If the government doesn't like sports mascots named after Native Americans, why did they name our most lethal military helicopter "The Apache"?
If deer could fire back, would there be a lot fewer humans hunting deer?

Wouldn't a Jewish Mother have a terrible dilemma if her daughter was gay and dating a doctor?

Isn't it a bit unnerving that doctors call what they do "practice"?

Who's General Failure & why is he reading my hard disk?

If debugging is the process of removing bugs, then is programming the process of putting them in?

If you always wanted to be a procrastinator, why didn't you ever get around to it?

When seeding a lawn, why are the results from hundreds of dollars worth of fertilizer, grass seed and man hours so difficult, but without even trying, and for free, grass grows in the driveway cracks?

Did you know that "verb" is a noun?

Is being healthy merely the slowest possible rate at which one can die?

Is duct tape like "The Force" because it has a light side and a dark side and it holds the universe together?

If guns are responsible for killing people, are pencils responsible for spelling mistakes?

Is animal testing a bad idea since they might get all nervous and give the wrong answers?

If two people invest in a boat, is it a partner-ship?

Do you realize that the *average* American has one tit and one testicle?

When Jaywalking is outlawed, will only criminals get to work on time?

Would a midget psychic who has committed a crime and escaped from jail, be called a small medium at large?

Is your holier side your altar ego?

Why is it every time you subscribe to a magazine for two years, you get a renewal notice in six months?

Why don't we remember being absent minded?

Why isn't there a new Jewish American Princess horror film called "Debbie Does Dishes"?

Why isn't there a new Jewish American Princess porno film called "Debbie Does Nothing"?

Is the first rule of holes "If you are in one, stop digging"?

Will there be more of these next month? The answer is "Yes." (but sadly, they don't get any better!)

Many Hearts. One Home.
